**Winnetonka High  
School  
Volume XVII 1987**

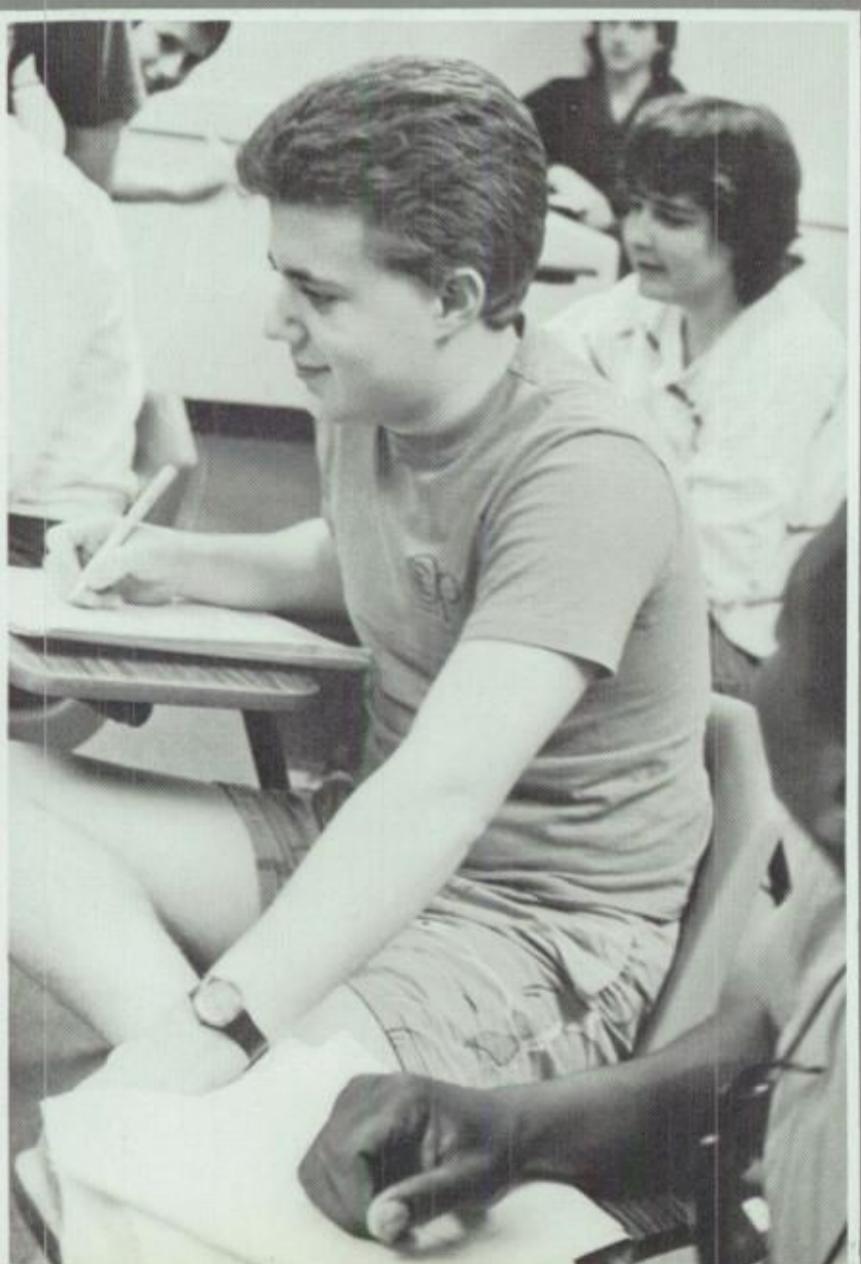

**So who says  
the '80s  
are dull?**

Times have changed . . . styles have  
changed . . .

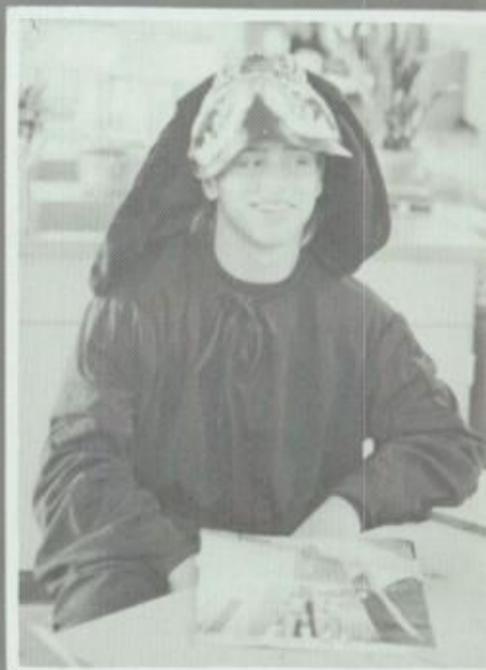

Students have  
changed, too

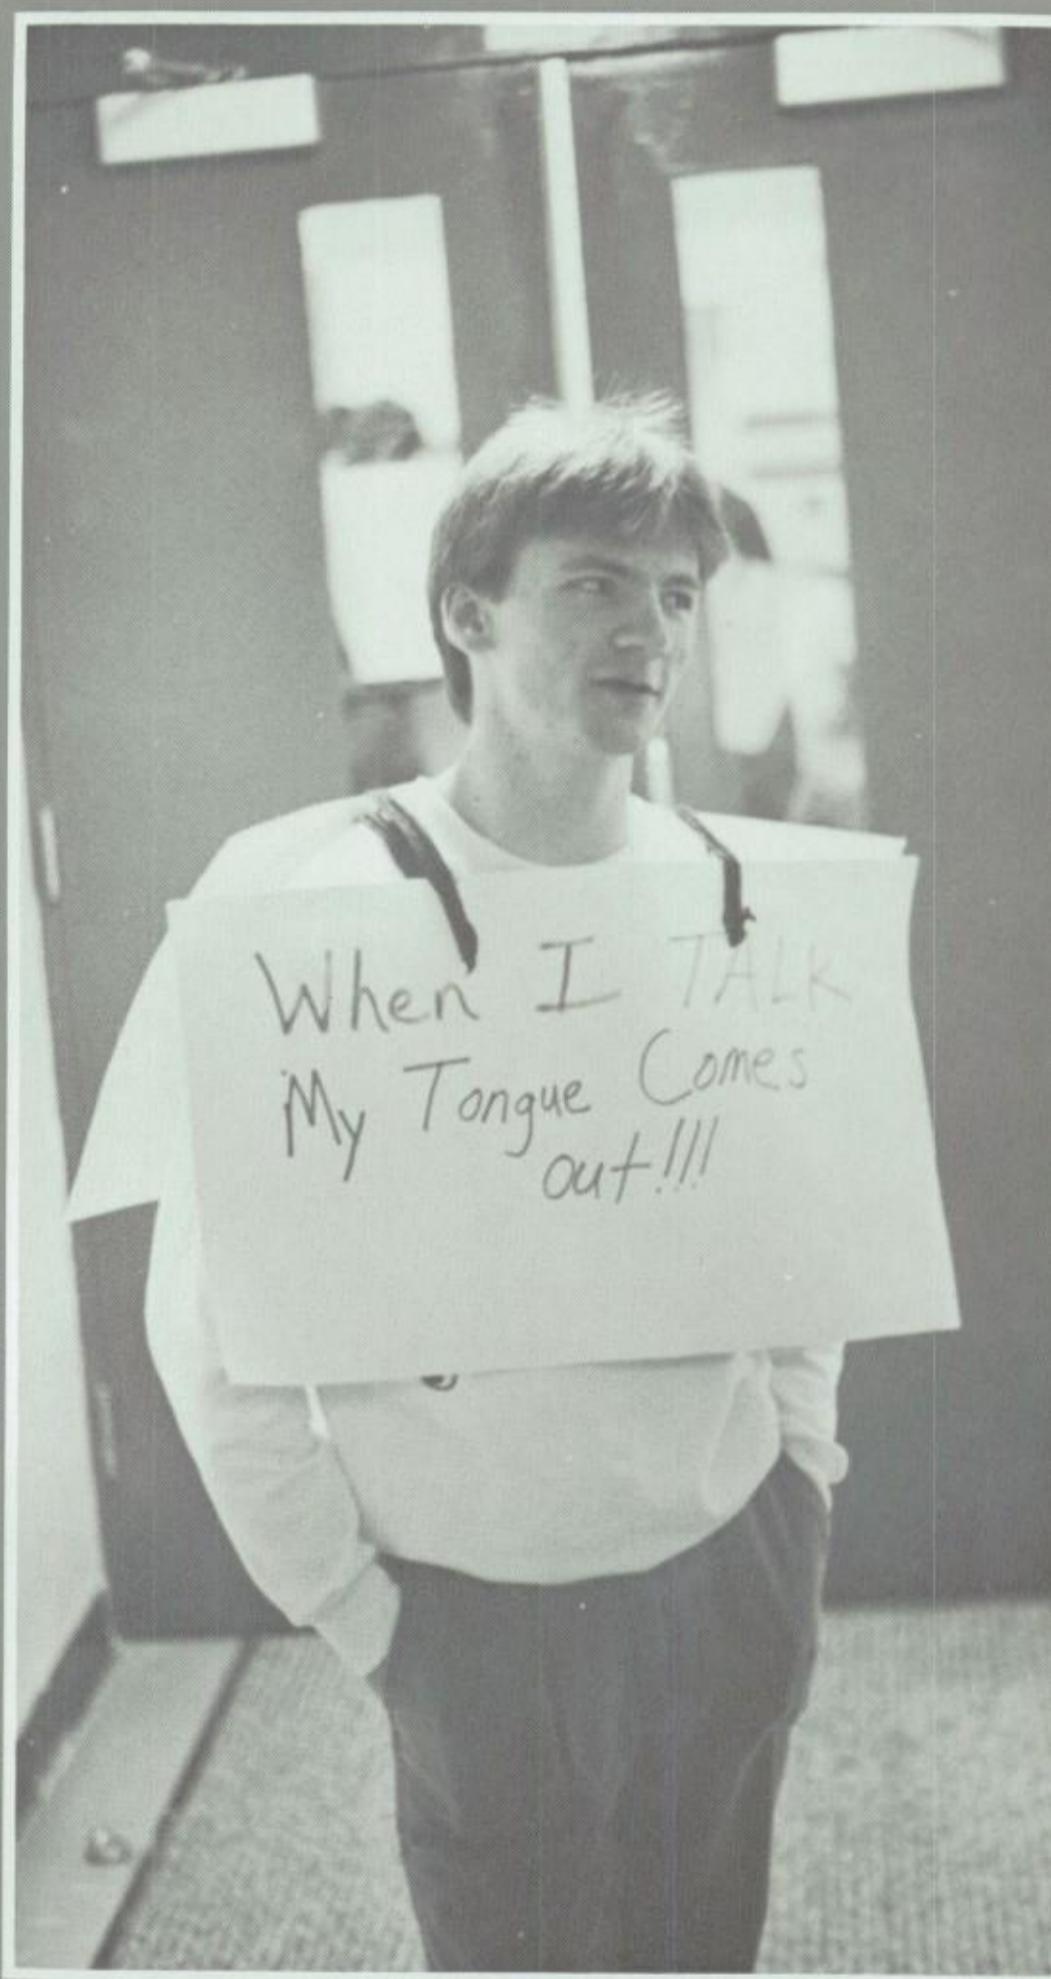

...

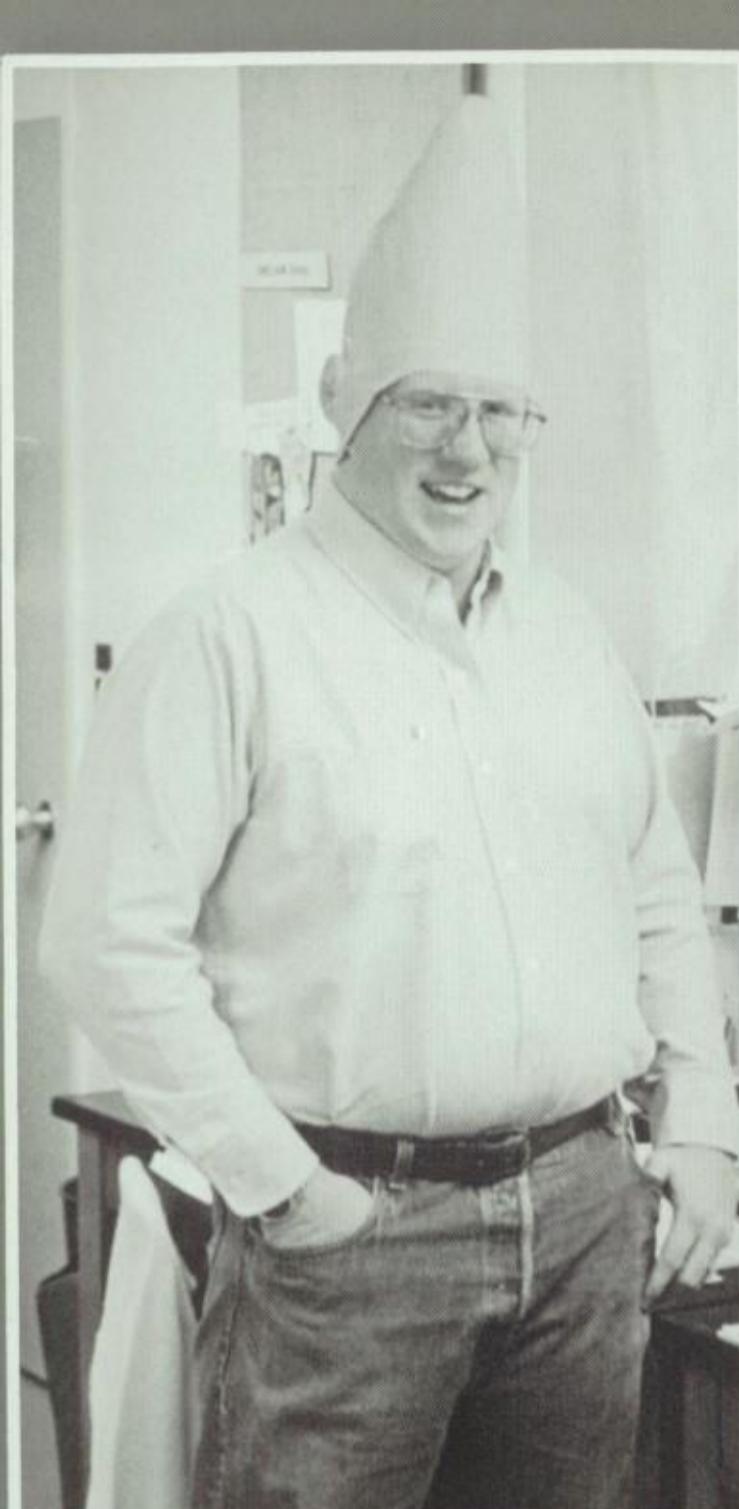

**They're much  
less inhibited**

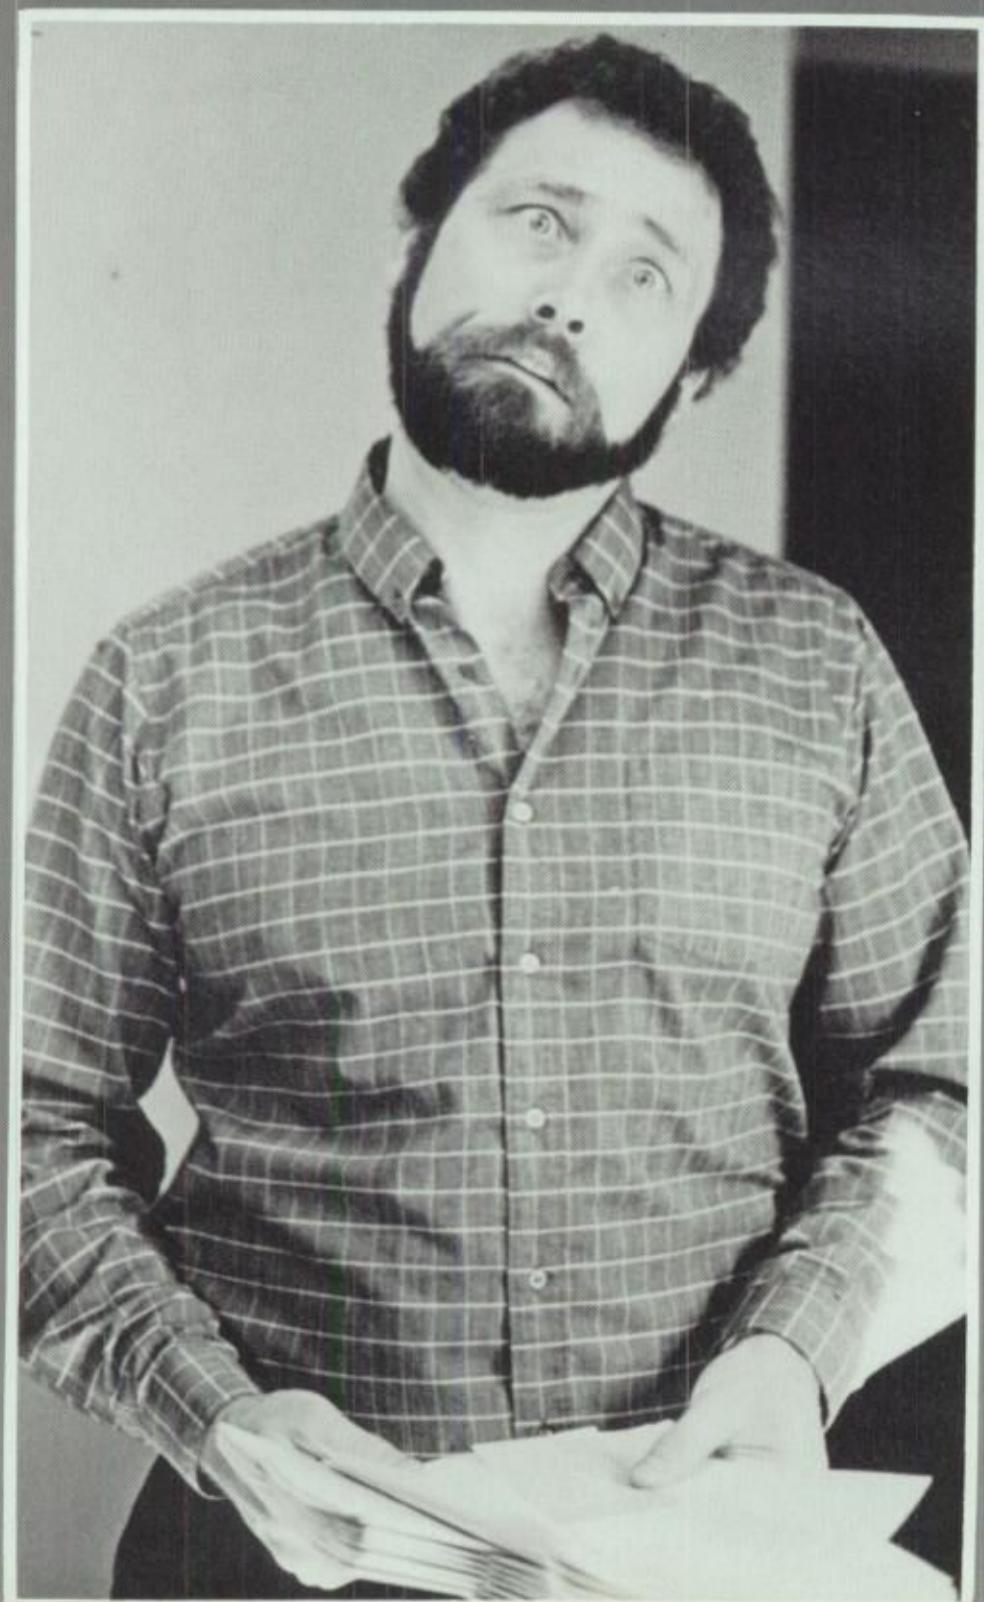

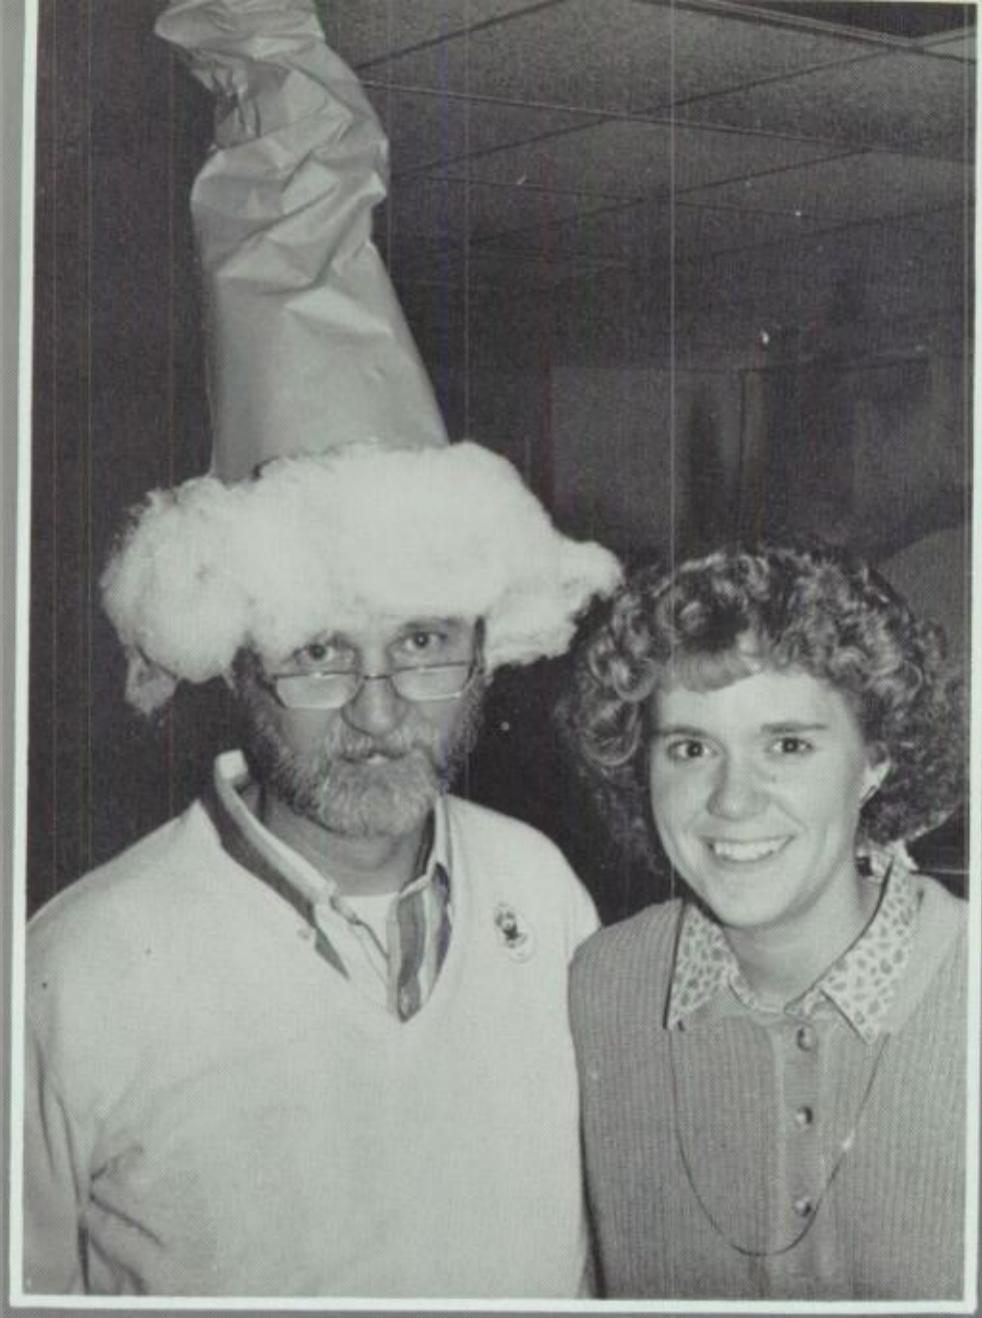

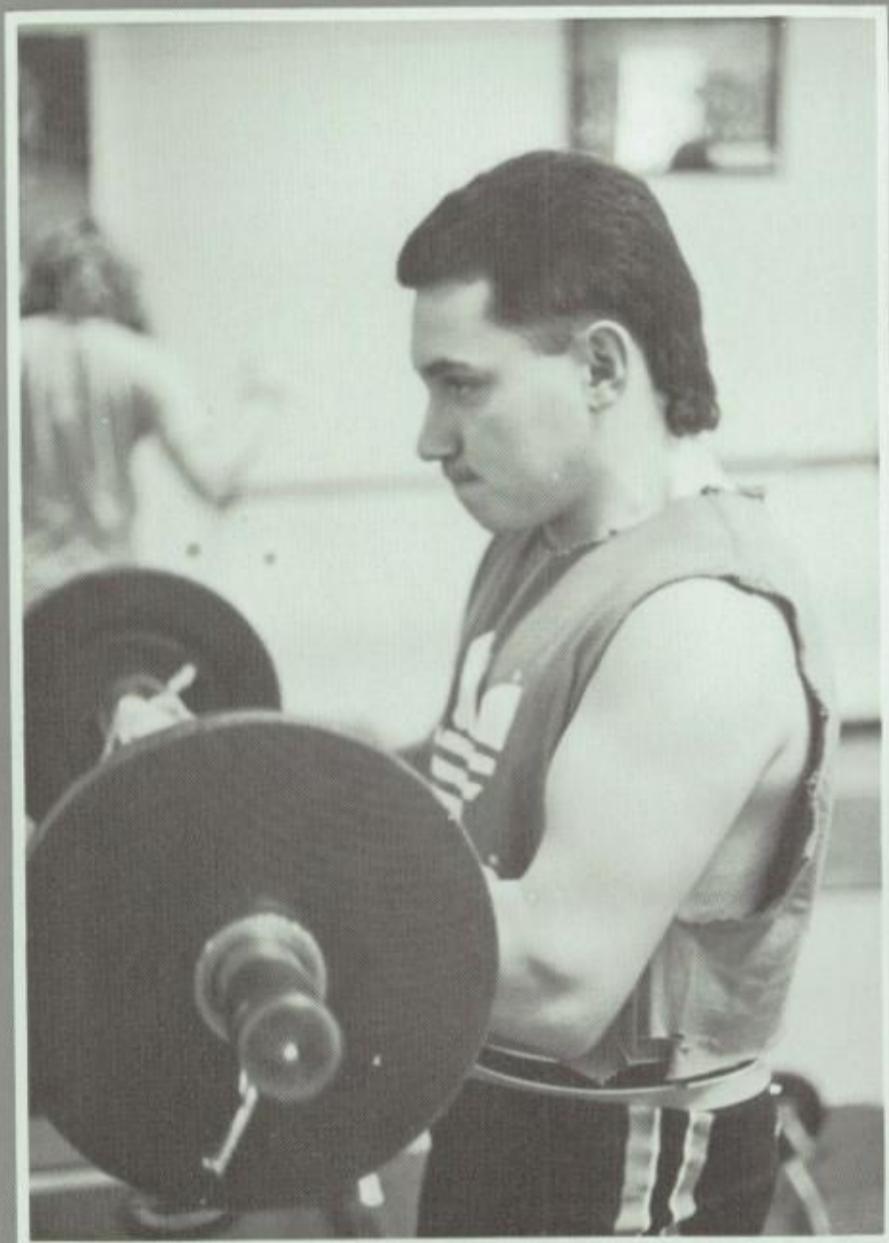

Even teachers are  
less inhibited than  
they used to be

**Next year,  
there'll be  
even more  
changes**

....

. . . but for  
now, THIS IS  
NOW

## Brent Loehrer

Brent J. Loehrer was my best friend for the three years that I knew him. I guess that is why I was asked to write his memorial. Brent and I shared our infatuation of BMX freestyle. Brent completed his freshman and sophomore year at Winnetonka. He was working on his junior year when he was struck by a car on North Topping. That was September 14, 1986. I will always remember Brent for the good times we shared. Also for his excellent ability in maneuvering his bike. But, out of all of this, I will remember him as my best friend.

# Griffins End Season, 5-5, With Big Win Over Grandview Bulldogs

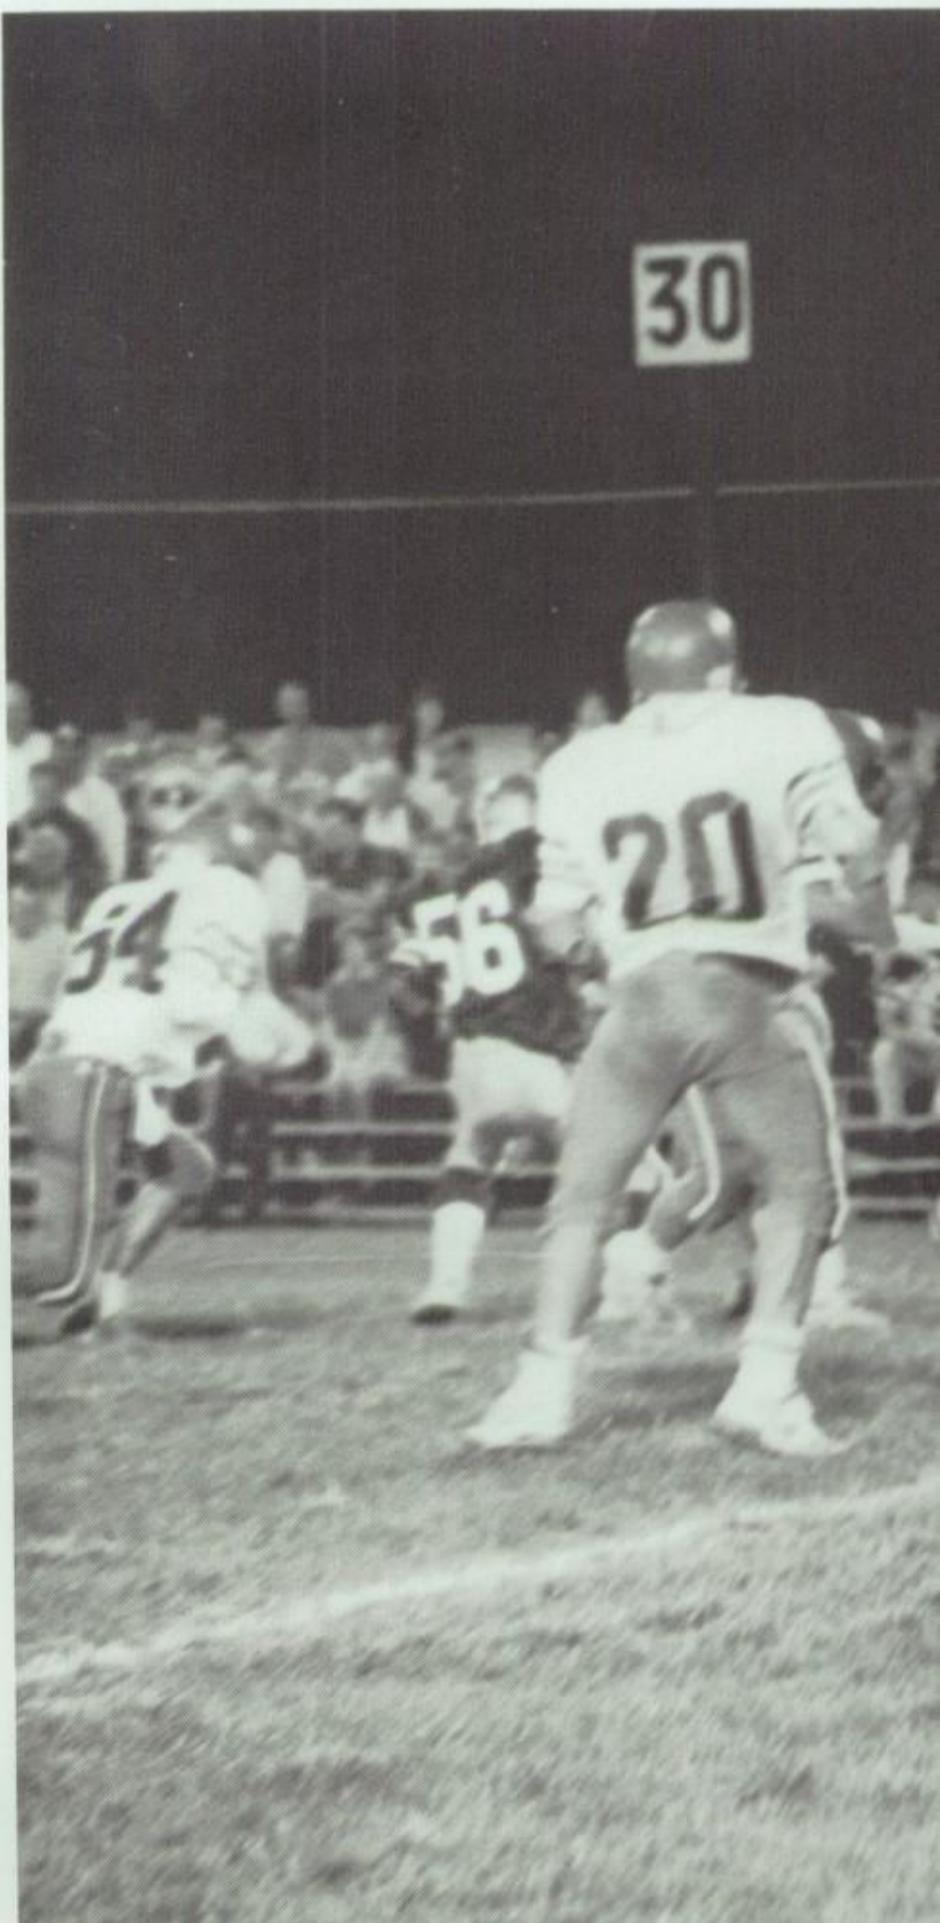

It looked for a while as if the Winnetonka football team might post its first losing season in the history of the school, but Coach Dan Stanley and the Griffins had other ideas.

In their final game of the season, Quarterback Tim Silvers scored a touchdown with 26 seconds left in the game that won the nailbiter with a score of 19-13. That set the record even for the year. The other two touchdowns in the game came from leading rushers Tim Painter and Chris Mihlfeld, who ran for 98 and 95 yards respectively.

"We came together to defeat Grandview in an important game," said Tim Painter.

The Griffins placed four men on the All-Conference team: Chris Mihlfeld and Steve Young on offense; Mihlfeld, Painter and Tom Baker on defense. This was the second year Mihlfeld and Painter had made all-conference.

Second team all-conference members were Brian Henry on offense and Brett Doleshal on defense. Honorable mentions went to Dan Bibiesca, Sedric Jones, David Wilson and Bob Sharpe.

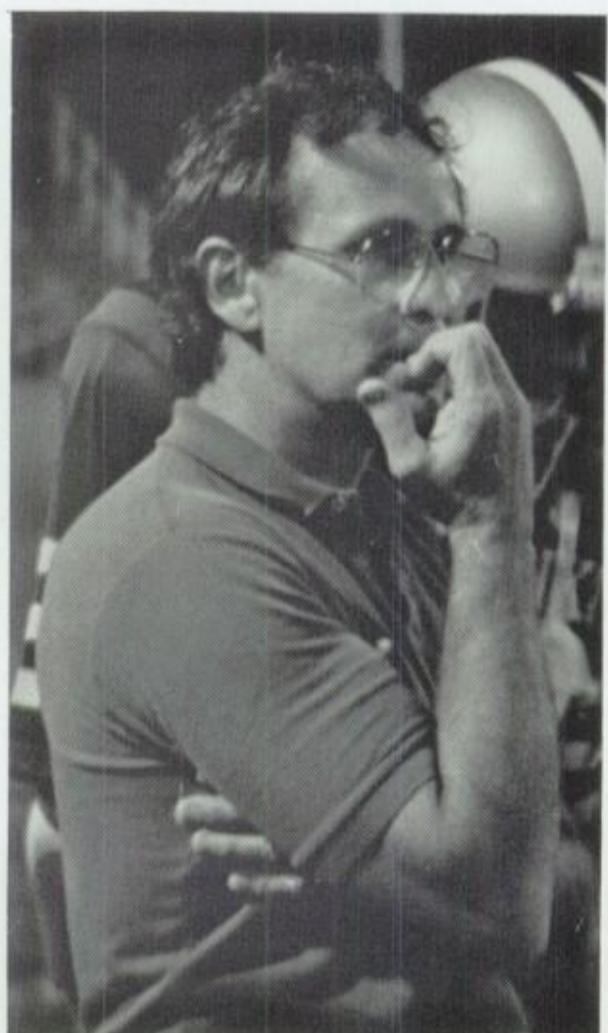

Chris Mihlfeld (35) and Stacy St. John (25) put a tremendous hit on an Oak Park receiver.

# Sophomore, Freshmen Football

The 1986 Sophomore Football team, led by coaches Terry Stevens and Joe Wendt met some tough competition and finished the season with a 1-6 record. Coach Stevens stated, "They tried very hard, but they were outmanned."

Leading rushers for the team were Marty McKillip, Jeff Gray, and John Hudson. John Hudson was also the quarterback and leader of the team.

The highlight of the sophomore season was their victory over Raytown South. Coach Wendt feels that the sophomore team suffered a lack of size and lack of speed.

The 1986 Freshman Football team had a successful season. The Griffins finished the season with an overall record of 4-3 for their coaches Hank Reese and Mike Sneed.

The team was undefeated after three games. The real heartbreaker was their loss to Park Hill, 8-9, when the Trojans kicked a field goal to take the victory. They went on to defeat Liberty, 26-0, before losing to Fort Osage which ended the season.

Outstanding players include Joe Cammisano, Mike Smith, Steve Painter and Scott Nichols. Coach Reese remarked, "They were a likeable group, hard-working, and competitive on the field."

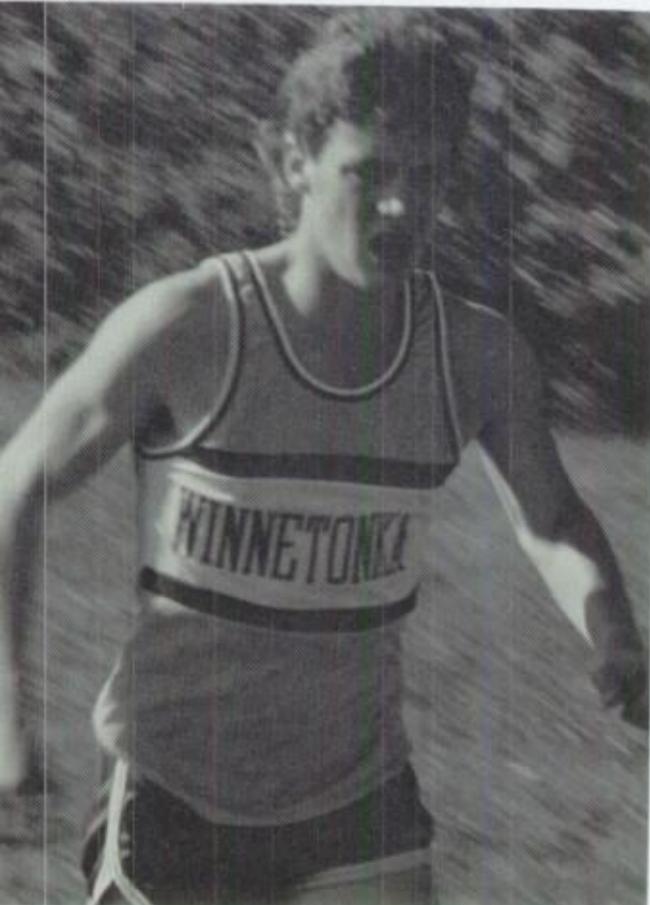

# Varsity Runners Place Third At Conference, 10th In City

The 1986 boys cross country team had a tough fought season. The varsity runners placed third at conference and 10th in the city. Ryan Rube was the outstanding senior runner this year. He was awarded all-conference, district, metro and Northland honors. Other awards given to him were honorable mention, state qualifier and outstanding WHS runner.

The outstanding junior runner was Ken Dewalt. He was a awarded All-Northland and was a state qualifier. Phil Hudnall, a sophomore, did an outstanding job this year. He was awarded all-conference, district and Northland.

Coach Wahley stated, "All teams had a fine season. Both varsity boys and girls ranked in the top ten in the state. The kids worked hard and had good attitudes. They earned everything they worked for."

## Cross Country Girls Place Second In Conference

The 1986 girls cross country team had a tough season. The varsity girls placed second in conference, fourth in districts and sixth in sectionals. Michelle Roberts, a senior, was awarded all-Northland, conference, district and metro honors. She was a state qualifier and the outstanding WHS runner. Linda Lemos, another senior, was also all-Northland and a state qualifier.

The outstanding junior this year was Becky Hueser. She was awarded all-Northland and conference. The sophomore girl who was most outstanding was Leslie Hernandez. She was awarded all-Northland, conference and was a state qualifier.

Next year the cross country team is looking forward to an outstanding sophomore team. The junior girls next year should also have a great year. The varsity team will be rebuilding because four seniors are leaving.

# Young Soccer Team Never Gave Up

The varsity soccer team was made up of many young players, but they did manage to defeat several good teams. Outstanding offensive players were Lincoln Roblee, Jefferson Roblee, David Sullivan and Pato Castillo. Outstanding defensive players were Drew Cohalla, Brandon Trickey, and Robbie Vogelbaugh. These players helped to pull the team through their victories. The team was composed of a dedicated group, coached by Don Giannola, who would never give up. They were very competitive and hard-working.

The junior varsity team, coached by Steve Cauveren, was one of the best teams yet, made up primarily of sophomores and juniors. The season record was 2-10-3 which bettered the records of previous years. The last nine games were lost by only two goals or less, so this record could easily be improved upon. The team lacked depth due to a small squad, but they were competitive with every opponent. The outstanding players were: Ron Jacobs, top player; Gonzalo Anaya and Tony Burrows, top defenders; Ron Jacobs and Kevin Murray, top offensive players; and Greg Leffert, goalie.

The varsity squad (Page 86) included: Marissa Cohalla, mgr., (front row) Jefferson Roblee, Pato Castillo, Lincoln Roblee, Tony Burrows, Joe Giovagnoli, Ron Jacobs, (back) Drew Cohalla, Gonzalo Anaya, Kevin Murray, Robbie Vogelbaugh, Andy Schiller, David Broadwater, Brandon Trickey, David Sullivan.

## Volleyball Team's Hard Practice Sessions Help Improve Their Skills

Although the Varsity Volleyball team did not win as many games as they would like to have, their hard work and determination helped them through the season. Despite a few conflicts that the team faced, they all pulled together, making compromises that boosted spirits and helped the team play excellent ball at Districts.

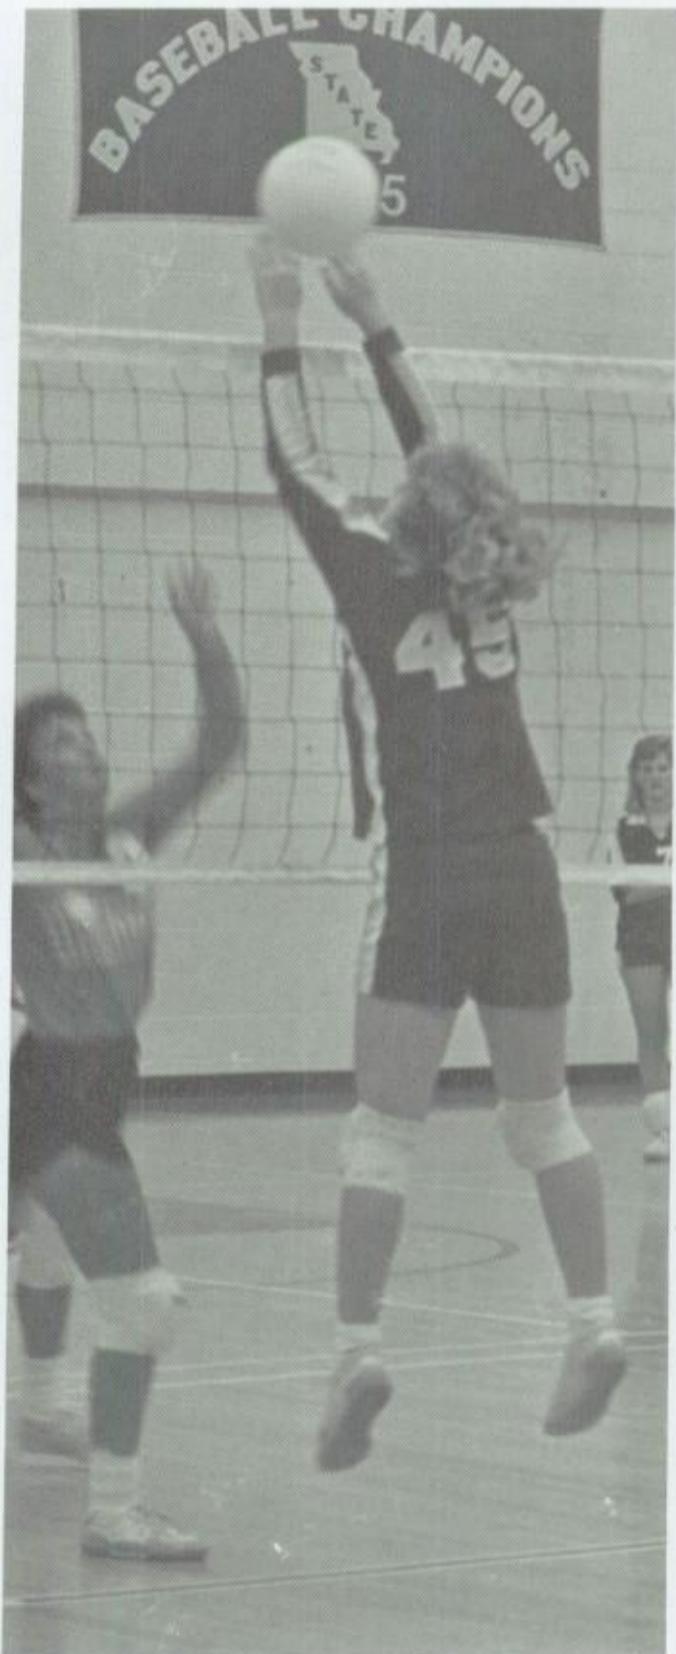

Coach Holwick held three hour-practices the entire season which helped the girls improve on their skills. At the Grandview tournament the Griffins finished third. If the team lost a game they would bounce right back with a win. The girls played the best they ever had. Despite the team losing five seniors, next year's team ought to be very strong.

Outstanding contributors to the team were Crissy Champ and Mary Ann Lawrence, who both received Second Team All-Conference and Honorable Mention Awards. Teresa Lauer also received the Honorable Mention Award. Other senior players included Lisa Cusick, Laura Hale, and Leslie Williams.

## JV, Freshmen Volleyball Teams Display

The win/loss record was not as good as was hoped for, but the attitude of the JV volleyball team was impressive. The team never let down in hustle or desire. Even after a loss, team spirit soared. They would always congratulate the opposing team with pride. There were no real star players; the team played as one, which made everyone a star.

The freshmen volleyball players welcomed Debbie Smith with open arms as the new freshmen coach. She took over the freshmen girls hoping to get a head start on developing their skills. It worked, these girls had a terrific season and played a tough game of volleyball. The team played as hard in practice as they did in games. The entire program gained respect in the eyes of area coaches and others involved in volleyball.

# Girls Tennis Team Goes 6-9 With Only One Returning Letterwoman

The girls tennis team was a young one this year with only one returnee, Debbie Allee, on the varsity team. It was not surprising then that they finished the season below .400. The varsity's record ended with 6 wins and 9 losses. One of the biggest wins for varsity was against Grandview, 5-0. Two of J.V.'s biggest wins were against Grandview and Willian Chrisman with scores of 5-0.

Debbie Allee, a four-year letterwoman, and Shannon Enderle, a first year letterwoman, won first place in doubles at the St. Joseph tournament. Kim Morris won third place in J.V. singles. In the district tournament, Allee and Enderle won two of their four matches.

With the experience gained during the season and with continued individual effort during the off season Coach Donna Johnson suspects that there will be much improvement in the fall tennis season of '87.

# Griffins Repeat As District Champions

The varsity boys basketball team was a rerun of last year's success as the Griffins finished 18-11. Although some of the players had changed, the goals for the season were the same, and the attainment of these looked somewhat familiar.

The season began as usual with the Griffins appearing nowhere in the rankings even with three starters returning from one of the best teams in the state. The Griffins opened with three impressive wins and a first-place finish in the Winnetonka tournament, the second time in three years for this feat.

The season was topped off in familiar fashion by repeating as District Champions defeating Northeast in the first round and Van Horn for the title. The Griffins traveled to Hickman Mills for the sectional game against — same as last year — St. Joe Central. By defeating them, the team was on its way to Warrensburg to meet another familiar team in the state quarterfinals. The boys performed below par and were soundly defeated by Rockhurst.

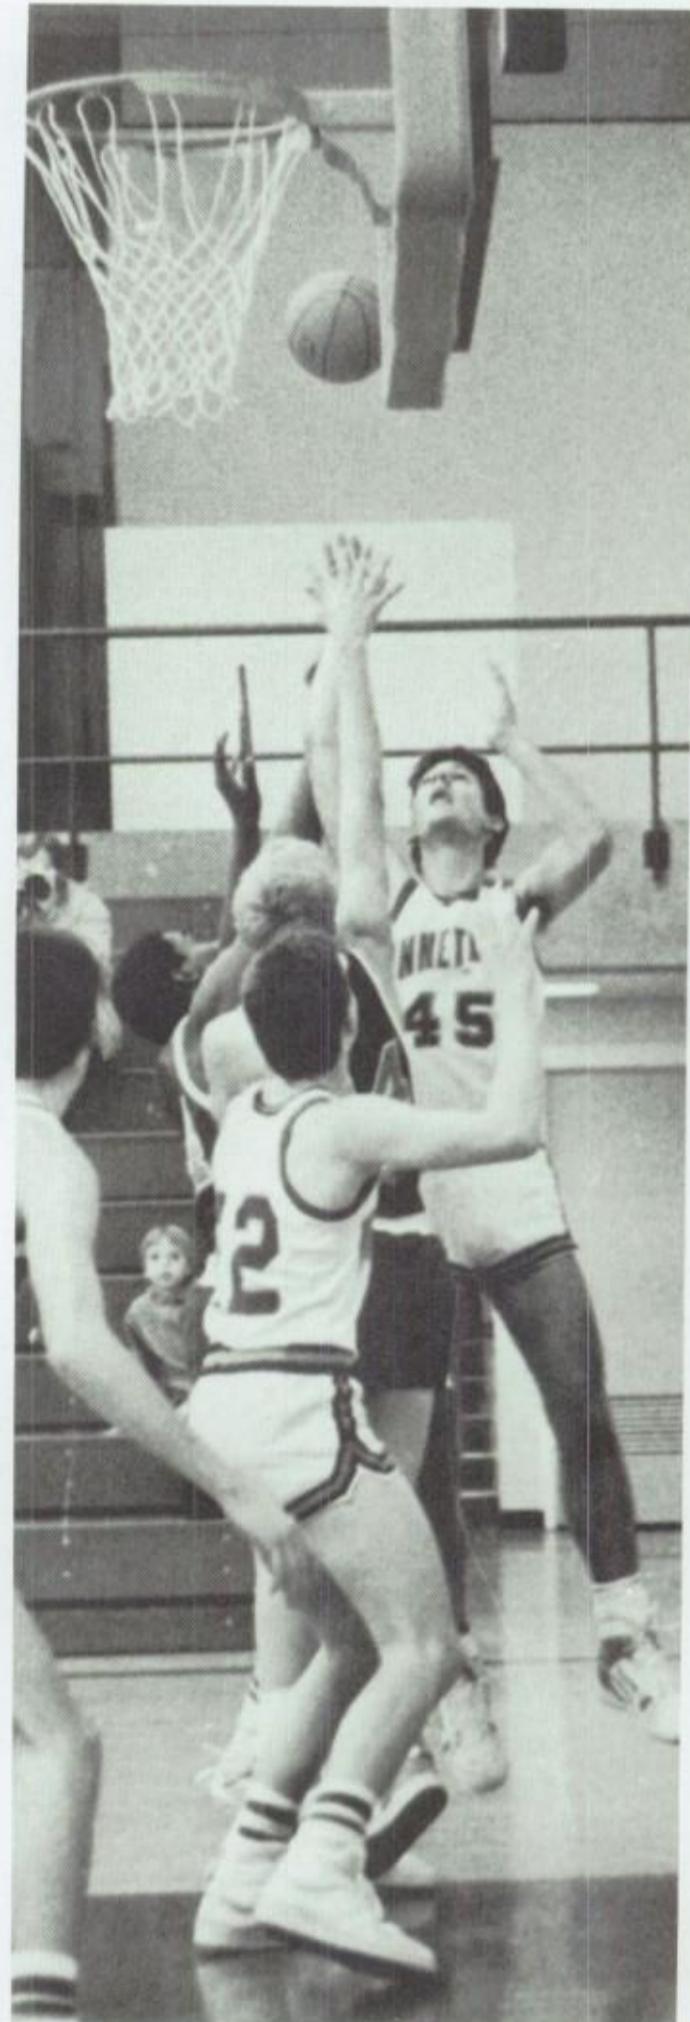

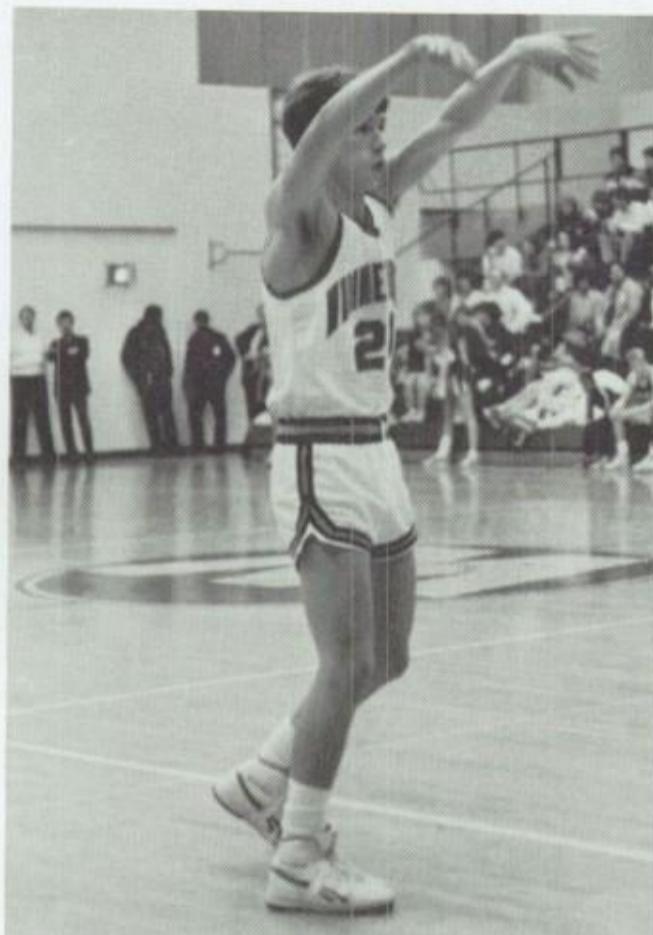

Contributors to the Griffins' success were David Hauschild, Donnie Guy and Robert Taylor, all making first team all-conference and all-Northland. Kyle McCune was chosen as honorable mention all-conference and second team all-Northland as well.

# Young Girls Basketball Team Works On Fundamentals

The Varsity girls basketball team started off the season with a young team and a new coach. Coach Wes Whaley took over the team containing three seniors and began drilling them on fundamentals.

The team started off the long season fairly well, placing second to Raytown in their own tournament. But, soon after the opening tourney, the lady Griffins lost their center, Michelle Newton, and therefore became an extremely short team. Unfortunately, the team's losses did not stop here. A few months later the team lost a starting guard, Teresa Lauer, due to a hand injury.

Throughout the season the Griffins played hard, but most often fell short of a victory. After a difficult season of playing in a conference that contained three teams ranked in the metro area's top ten, the young squad arrived at districts. The first round of play for the Griffins was against Van Horn, whom they soundly defeated, 60-32. The following game was against a strong East team, who put an end to the season by defeating the Griffins, 49-31.

Although the ladies' record wasn't great, Coach Whaley was still optimistic. He summed up the season by saying, "The girls played hard and improved greatly throughout the season. I had a lot of fun."

As well as a new varsity coach the junior varsity girls received two new coaches, Mary Dudley and Kathy Holwick. Beginning with a team dominated by freshmen and sophomores, Coaches Dudley and Holwick began to strengthen the team's fundamentals.

Because of the small number of girls who tried out, the team was very small. Despite the limited number of players, the girls gave it their best in the games as well as in practices.

Overlooking the fact that the young team's record wasn't extremely impressive, they still came out looking promising for next year.

# Freshman Basketball Girls Show

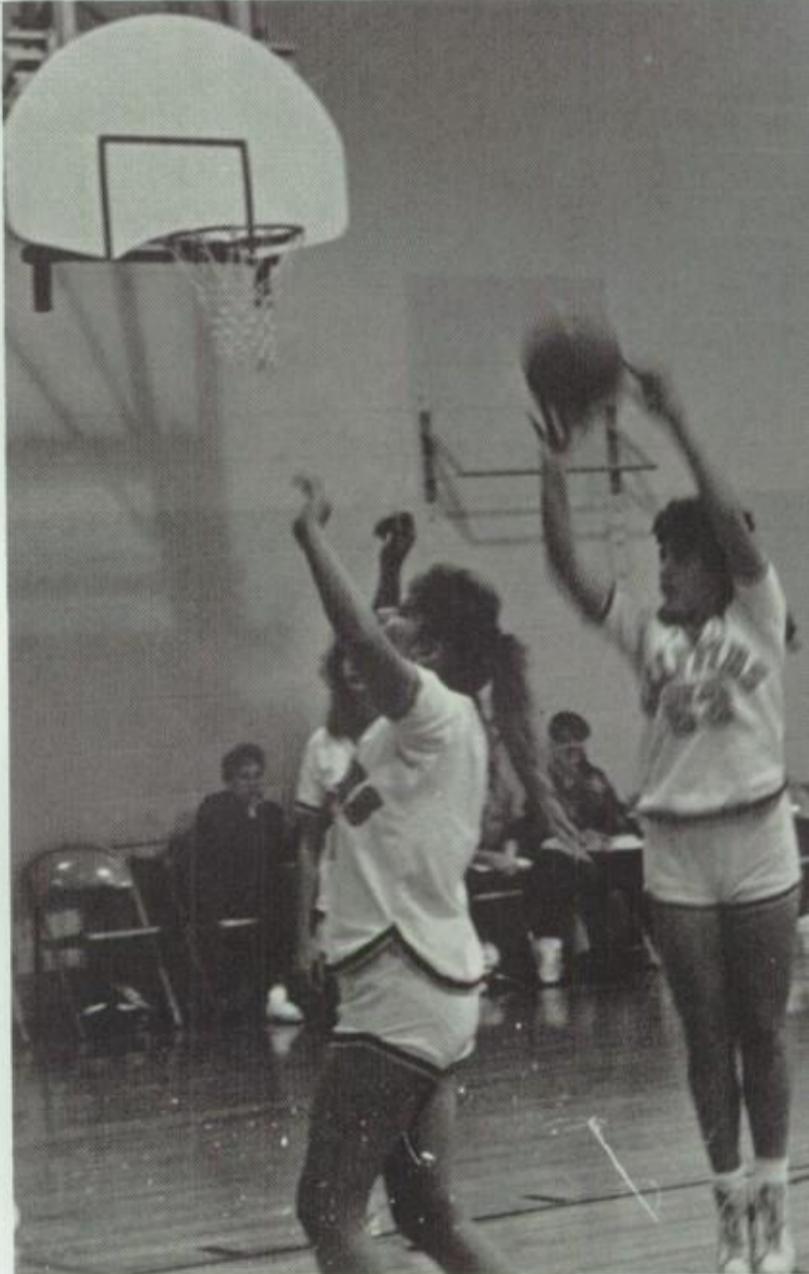

Returning this year after a two-year break was the freshmen girls basketball coach, Loren Jeffers. This year's freshmen team turned out to be loaded with many potential basketball players. Although their record wasn't as good as it could have been, the ladies improved a lot.

Towards the middle of the season, a handful of freshmen were moved up to play junior varsity. After putting the change behind them both the former JV girls and the new JV girls began to gel as a team.

Basically this year's freshmen girls were quite impressive. Someone very satisfied was Coach Jeffers. "One of the most difficult aspects of basketball, for inexperienced players, is learning how to best to contribute to the team working together as a unit. As the season ended this group of ninth grade girls were playing as a team," he said.

## Promise For Future Teams

# Five Wrestlers Grapple For State Titles

This was another winning season for the Winnetonka wrestling team under Coaches Don Giannola and Hank Reese. They placed second in conference, third in district and seventh in state. The team's overall record was 9-3.

In the district tournament, Winnetonka had five champions. They were Josh Kral, freshman; Brett Watts, senior; Shaun Anspaugh, senior; Chris Mihlfeld, senior; and Kenney Brink, senior.

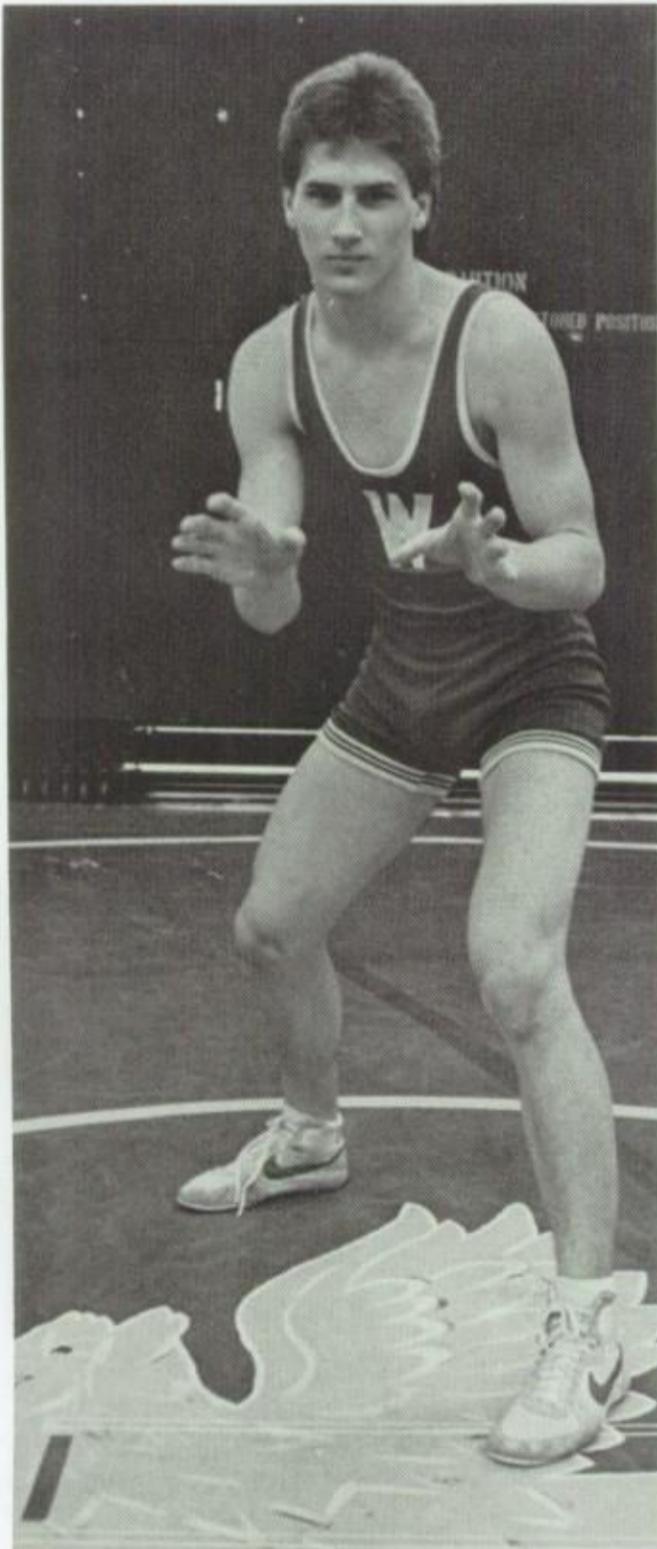

In the state tournament, Chris Mihlfeld finished as state champion for the second year in a row. Shaun Anspaugh finished second in state and Kenney Brink finished fourth.

Many individual and school records were set this year. Chris Mihlfeld set a record of 232 takedowns in one year, with 557 for his career. Chris finished with a 34-0 record. Shaun Anspaugh had a 26-4 record, and Kenney Brink finished with a 25-3 record.

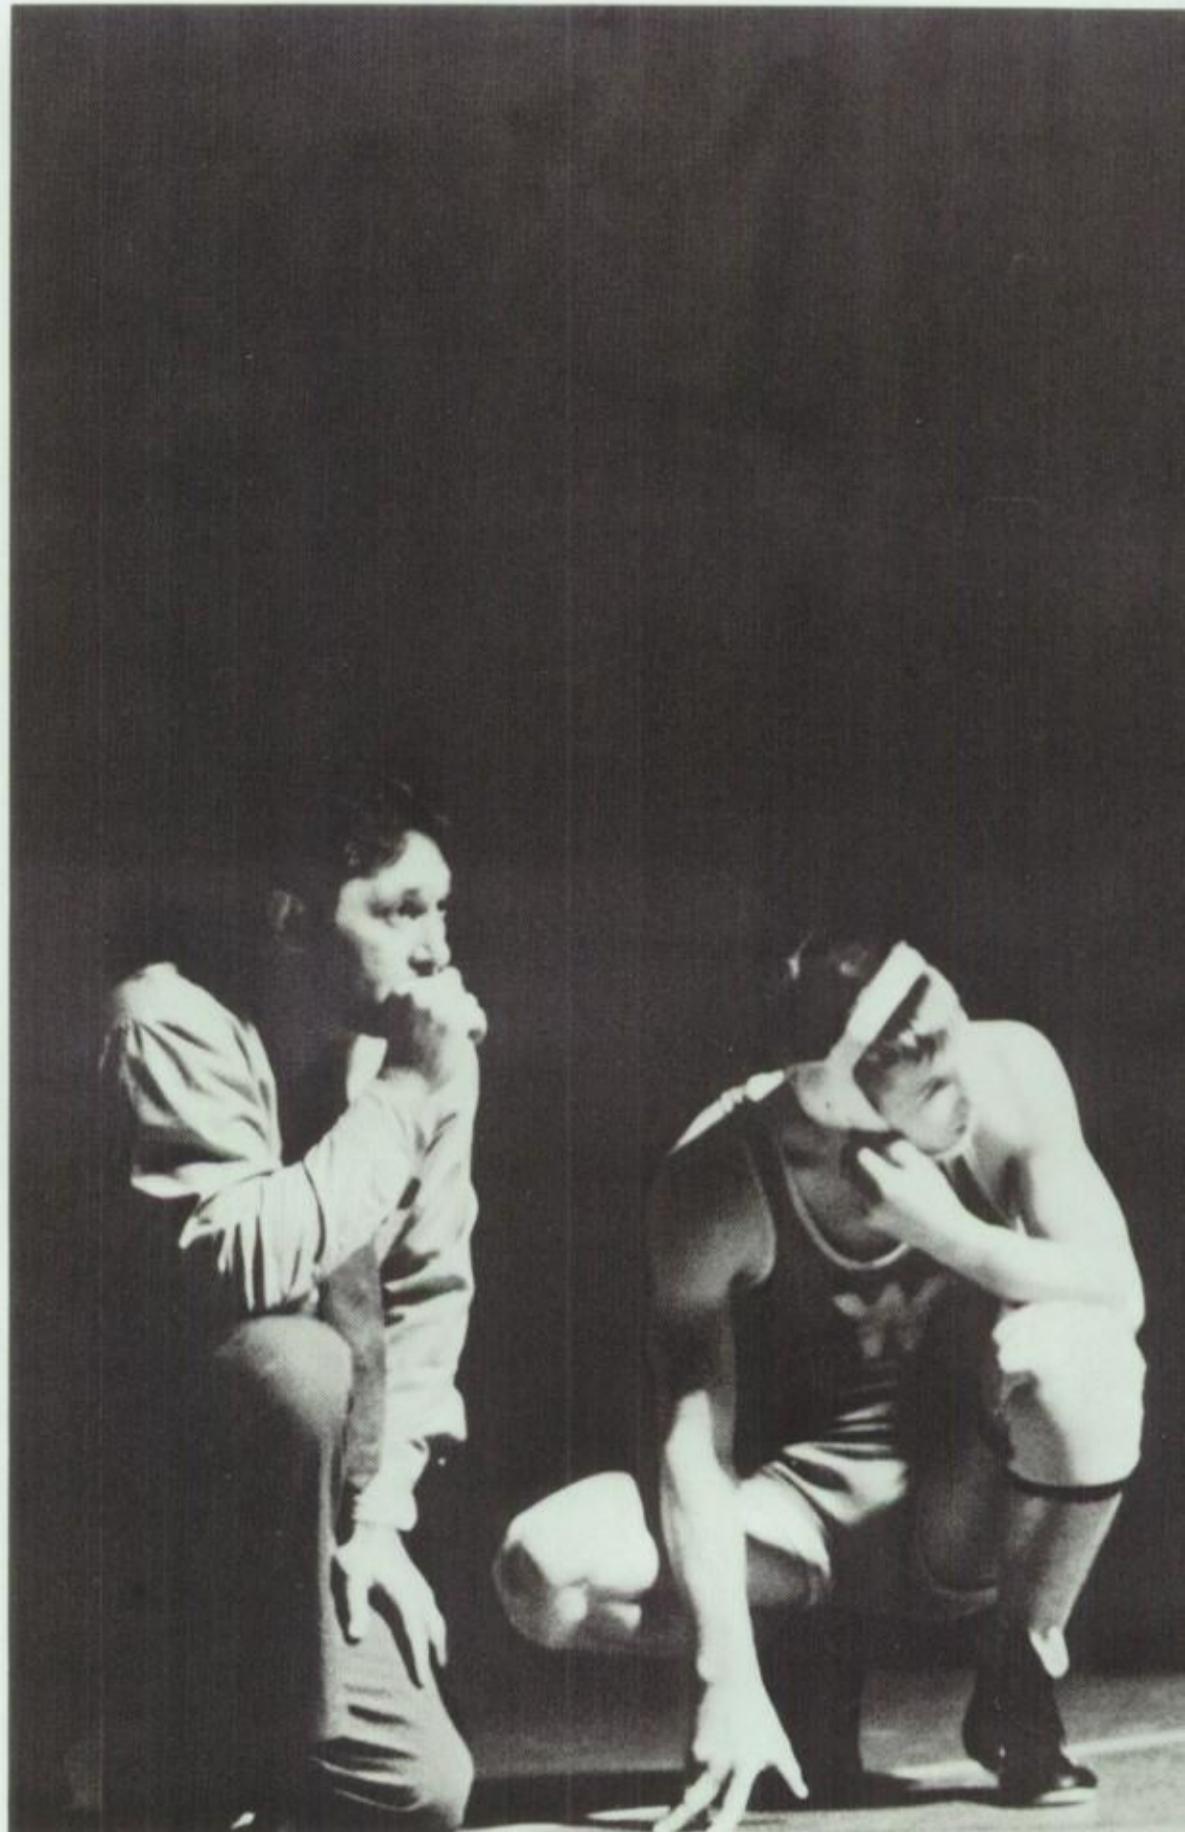

Brett Watts set a school win record

with 96 wins for his career. Brett finished the season, 25-5.

Chris Mihlfeld was awarded the Outstanding Wrestler award at the wrestling banquet. Senior awards were given to Shaun Anspaugh and Kenney Brink. The "I Love Wrestling" award was given to Brett Watts. Judd Brugardt received the outstanding junior varsity award and Josh Kral got the outstanding freshman award.

# Chris Mihlfeld

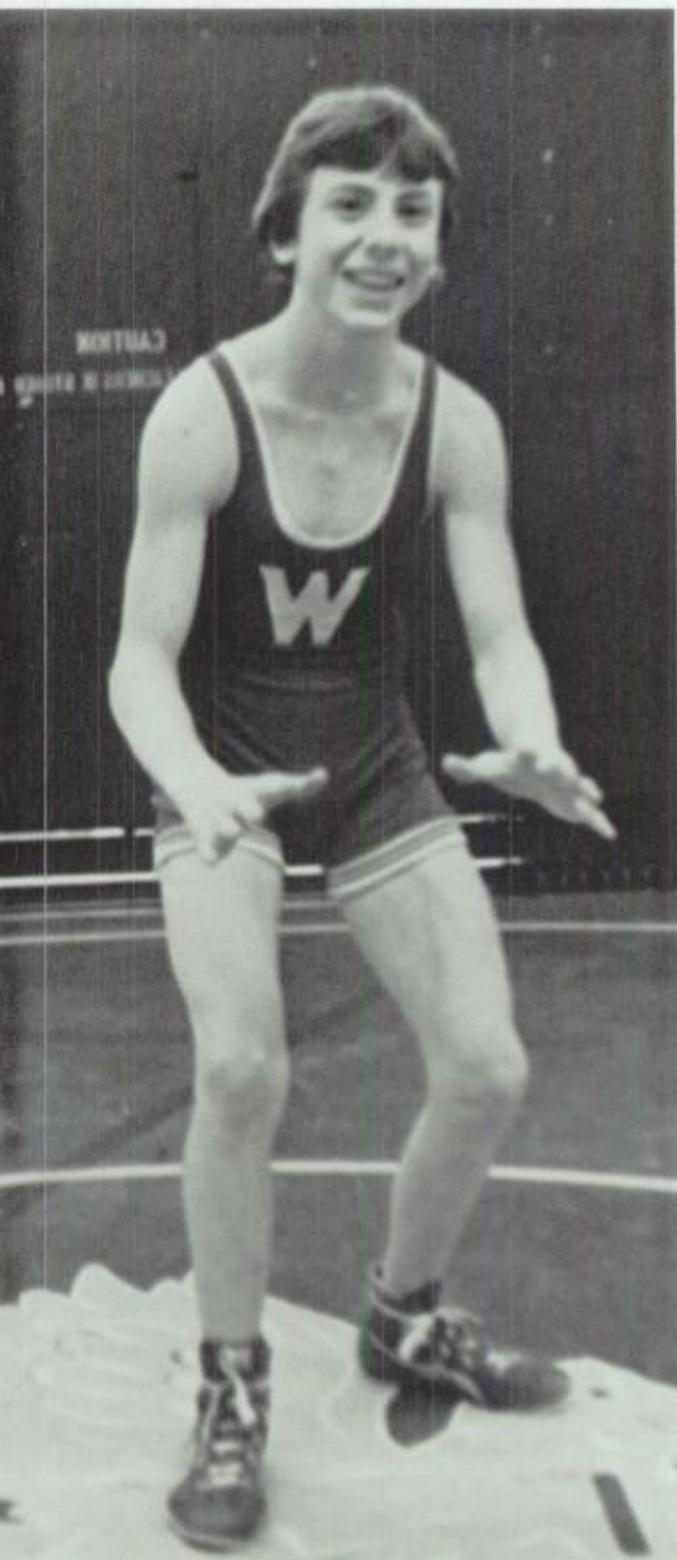

## Two-Time State Champ

It takes a special kind of athlete to win the state title in wrestling two years in a row. Chris Mihlfeld is that kind of athlete. In 1986, Chris went to Columbia to wrestle in the 155 lb. weight class and was victorious. This year he stepped up to the 167 lb. weight class to meet Steve Blanner of McCluer North in the final bout. Blanner was 34-0 going into the state match, but Mihlfeld quickly mastered him, 15-8 to become the first two-time state champion in the history of Winnetonka.

# Griffins Take Baseball Conference Title

Winnetonka's varsity baseball team continued its winning ways this year by capturing the conference title with a 9-1 record. Overall, the team went 17-6, but failed to make it to the state tournament for a third year.

In district competition, David Wilson threw a three-hitter to put them in the championship game against North Kansas City. Northtown scored five runs in the first two innings and, despite a rain delay and a late rally by the Griffins, won the right to go to the state tourney. The loss hit the Griffins hard as they had beat Northtown twice in regular season play, and they had been ranked second in the city going into the game.

Despite the loss to Northtown, the Griffins placed three players on the All-Metro roster (Chris Velasquez, honorable mention), and nine players on the All-Conference team: Mihlfeld, Sneed, Velasquez, Trent Gehrke, David Wilson, David Suggs, Todd Schreifels, Eric Carpenter, and Lou Gilbert.

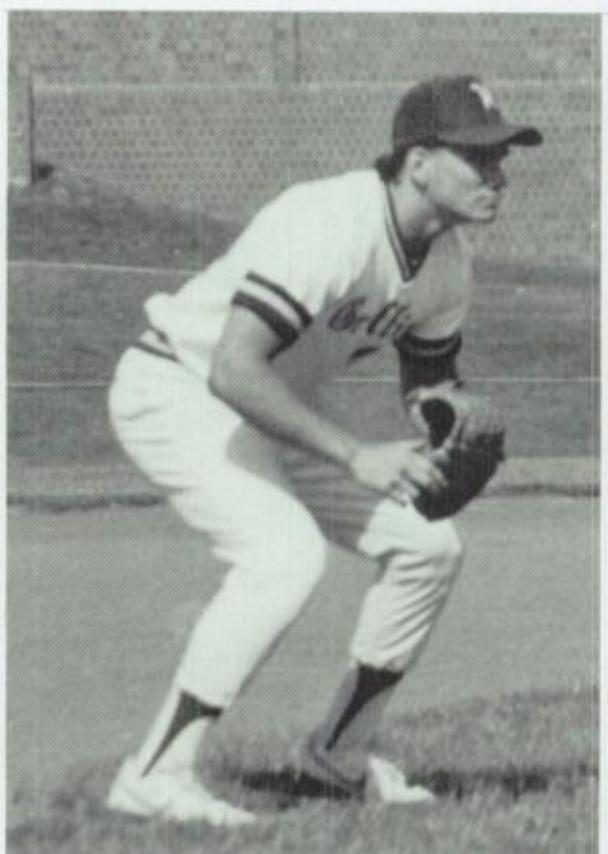

Chris Mihlfeld led the batters with a .500 average. Velasquez, Suggs, and Rob Lewis were all undefeated starting pitchers this season. David Wilson was 4-2. Chris Velasquez led the Griffins in home runs hitting six of them this year.

# Tennis Team Captures Conference

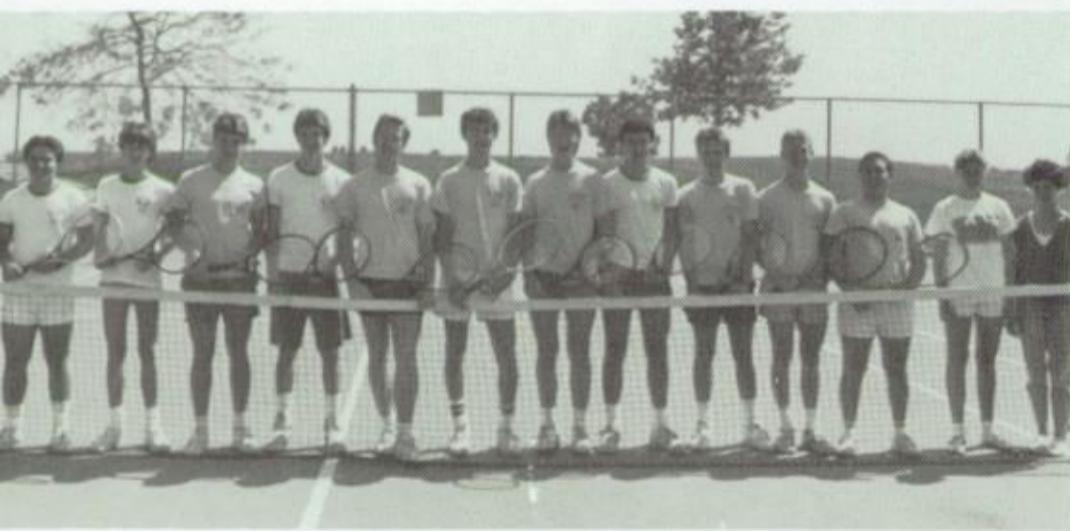

For the second year in a row, the boys' tennis team had a very successful season, highlighted by winning the conference championship and the conference tournament. The team's match record for the year was 12-3 with losses to Park Hill, Oak Park, and North Kansas City. These schools are very strong, but Winnetonka played them much closer than they have in the past years.

The team captured the Mid-six conference championship by going undefeated in conference with two wins against Grandview, William Chrisman, and Hickman Mills. The Griffins also dominated the conference tournament thanks to several sparkling performance from varsity players.

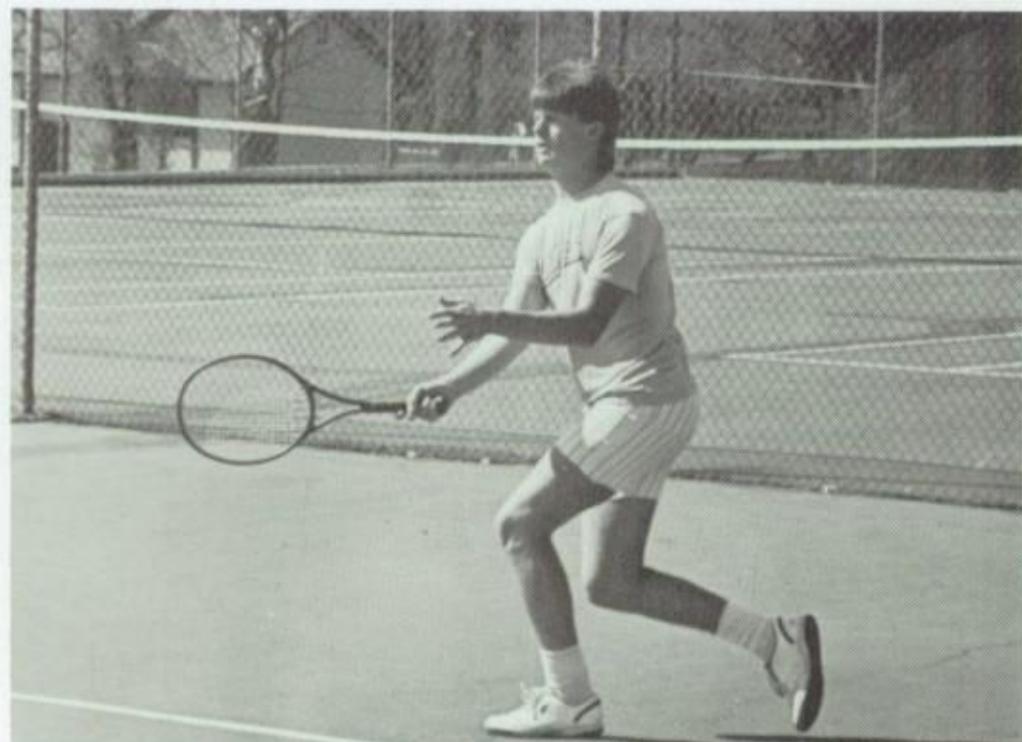

Junior Kirk McCabe, who played in the #1 singles spot the entire year, captured the conference championship and was named first team all-conference. Tim Silvers, the #3 singles player for most of the year, reached the conference final and finished second to McCabe.

In doubles competition Kyle McCune, the #2 player on the team, and Bob Shape teamed to capture their second conference championship. This made Sharpe and McCune, whose season record was 17-2, first team all-conference in doubles.

McCune and Kirkham were also named honorable mention all-conference in singles. Greg Lauer and Brandon Norwat also combined to be the #2 varsity doubles team. The tennis team, under coach Joe Wendt, had a very exceptional season in 1987.

## Bryant, Ross Lead Golfers In Their Best Season

This year's golf season was not a winning one, but it was still a success. With one of their best conference records ever, the young team of two seniors and four juniors went 3-7 defeating William Chrisman twice and Raytown South by a mere one stroke. Against Chrisman, the team had to win a sudden death playoff with Gary Bryant birdying the first hole to win for the Griffins.

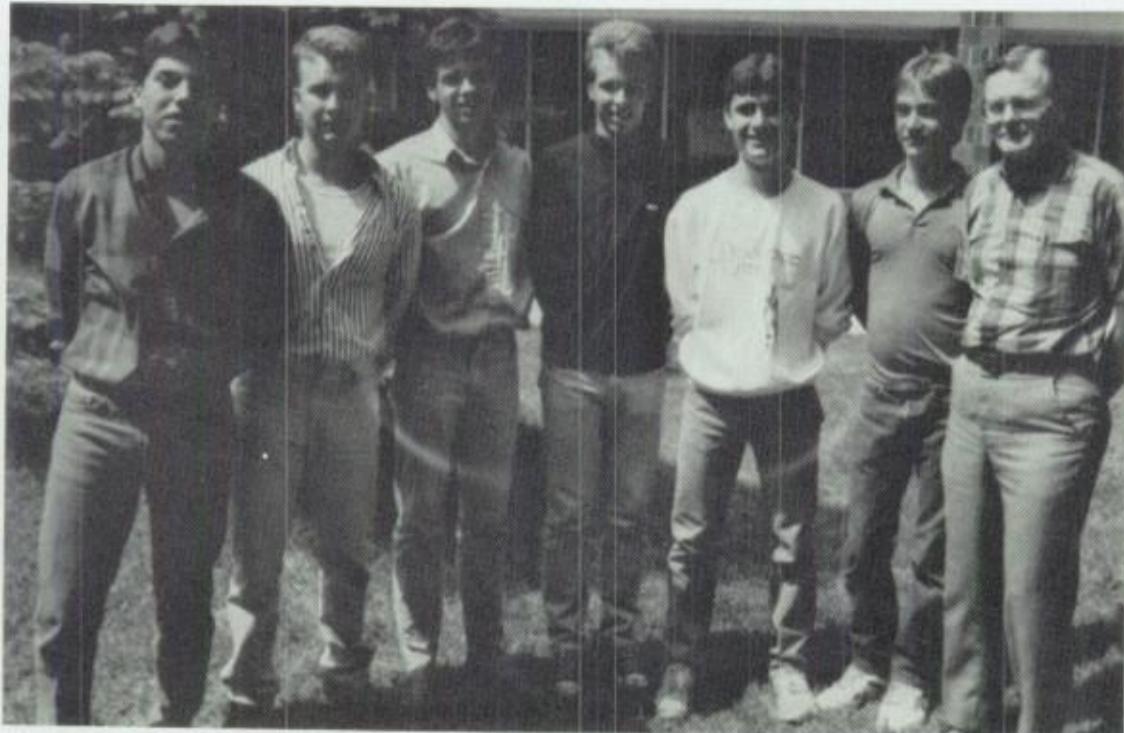

Junior Gary Bryant was the leading golfer for the team. He was dual medalist four times with scores of 42, 37, 41, and 39. Gary made second team all-conference and first team all-Northland.

Junior John Ross was medalist at the conference meet with a score of 84 for eighteen holes. He also shot a low round of 81 at districts and was placed on the all-Northland's second team ballot.

Coach James Myers said, "The team is young and should be much better next season. We are beginning to come together as a team and should be the best team in school history."

# 3200 Relay Team Leads Successful Season For Track

It was another terrific year for the Winnetonka boys track team that ended with the 3200 meter relay team of Ryan Rube, Mark Roberts, Scott Castro and Mike Newton capturing first place honors at the state meet. The four-man team got there by winning both the district and sectional events bettering their time with each run.

Ryan Rube also qualified for the state meet in the 1600 meter run and the 800 meter run. And Mike Newton ran the quarter mile at the state meet finishing sixth.

Other outstanding runners for Winnetonka this year were the 800 meter relay team of Reggie Parks, Robert Taylor, Keith Zimmerle and Mike Newton who placed third at sectionals; the 400 meter relay team of Parks, Taylor, Zimmerle and Paul Wells; Phil Hudnall in the 3200 meter run, who placed fourth at districts; and Reggie Parks in the 100 and 200 meter dashes in which he qualified for sectionals.

# **Softball Girls Struggle To 5-13 Record**

Despite several mishaps this year, the varsity softball team managed to keep a 5-13 record.

Mary Ann Lawrence was awarded senior softball player of the year only to have the support of other important players. Kylin Gillem, Crissy Champ, Anita Nigro, Rhonda Rickart, Stacy Hughes and freshman Stacy Brehm were all leaders both offensively and defensively.

Coach Dennis McClain was a little disappointed with the girls' record, but believes their hard work and good attitudes shines a bright light on future teams.

Next year there will be twelve returning letterwomen.

**Juliet Harland**

Juliet Harland was our AFS student from Auckland, New Zealand. She said coming to the United States brought her many experiences. Back home Juliet attended an all-girl school that consisted of 1300 girls and four male teachers. Some activities she enjoys are going to parties, nightclubs, and out with friends. Juliet participated in most all of the theatrical productions presented at Winnetonka. Juliet resided this year with Bryan Hill and his family.

### **Yosi Soenardi**

Yosi Soenardi comes from the town of Bulsittinggi in West Sumatra, Indonesia. She's 18 years old and the oldest of five children. During her stay, Yosi lived with Kara Jennings and her family.

Although Yosi found many differences in her new school compared to the one in Indonesia, she enjoys many of the same activities as U.S. teens. She enjoys such activities as reading, talking on the phone, going to movies, hiking, and cruising the town on Saturday nights. Along with those activities, she also participated in Winterguard. Her favorite classes at Winnetonka were basic design, and Algebra II. As a normal teen, she also has an ambition. Her's is to become a psychologist.

**Pato Castillo**

Pato Castillo Jara comes from Concepcion, Chile. He's 16 years old and his favorite pastimes are playing soccer and listening to music. He participated in tennis and soccer while attending Winnetonka. In Chile, Pato tutors other students and works part-time at his uncle's beach. He spent this year with David Broadwater and his family.

# American Field Service

AFS club members are: (front row) Lurleen Kennedy, Mrs. Mimi Rainen, Alyssa Francis, Bryan Hill, Pato Castillo, Juliet Harland, Yosi Soenardi, Kara Jennings, Robin Keech, Kerri Cronin, Sally Barbosa, Becky Weyrauch (president), (middle row) Holly Elwell, Elizabeth Giovagnoli, Dana Marsh; (back row) Theresa Birdsell, Tammy Mahoney, Lisa Barton, Bob Murray, Shann Beeman, Angie Watson, Angie Tune, Gina Cuccar, Denise Howard, and Tricia O'Dell.

Getting to know Juliet, Yosi and Pato was, of course, the highlight of the 1986-87 American Field Service club.

However, AFS did many other things. An overnight on AFS Day allowed area AFSers to get together, and the short terms in January (a two-week visit from other foreign exchange students) helped AFS to make even more new friends.

Along with all the social events of the 1986-87 school year, the AFS club also held its usual fundraisers — Christmas greenery sales and carnation sales.

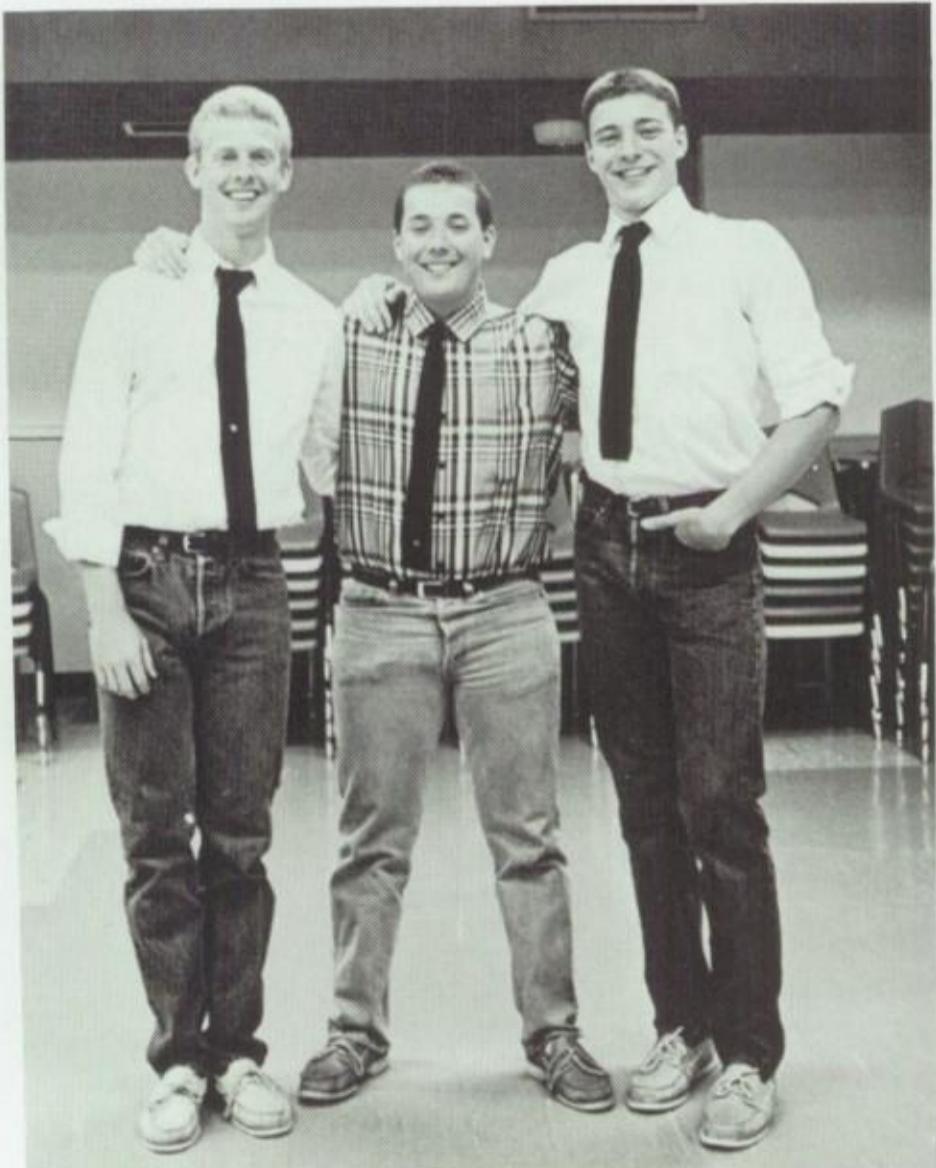

# Student Council

The Winnetonka Student Council underwent a few changes this year. First of all, Mrs. Georgia Winship stepped down as the group's faculty advisor. In her place came Mrs. Linda Levin to sponsor the group.

The Student Council officers no longer had the luxury of taking leadership class fourth hour, so they were forced to meet many mornings at 7:00. Regardless of this fact, the usual heavy workload of the Winnetonka StuCo was accomplished. Once again, they sponsored the Bloodmobile, another enjoyable Camfel production, and all of the school dances.

This year's StuCo officers were (at right) Bob Sharpe, secretary; Mike Kirkham, president; and Kyle McCune, treasurer.

# Students Against Driving Drunk

SADD, Students Against Driving Drunk, is in its second year at Winnetonka. Started by a group of caring students and faculty members, the SADD members meet several times during the year and concentrated their efforts on getting the message across to the student body that it is not safe to drink and drive.

It is always difficult to gauge just how successful a group like SADD is, but one can point to the fact that there were no accidents caused by drunken driving after any school dance this year. Perhaps that fact is due in part to the enormous poster campaign waged by the club before each dance.

SADD members were: (seated in foreground) Lee Ann Murray, Whitney Sosa, Nikki Wilson, (seated in second row) Toby Troutner, Karen Smith, (standing) Brian Torrey, Jill Troutner, Kellie Anspaugh, Lisa Larison, Bill Hampton, Stacey Cowan, Mrs. Sulzen, Ms. Snell, Kim Pickett.

# VICA

The Vocational-Industrial Clubs of America is one division of the COE classes offered at Winnetonka. The club's members go to school a half day and work the other half, thus getting valuable experience in the workplace. They also learn about the various aspects of trades and industries in their COE class. Mr. Jerry Sutton is the club's sponsor.

## FHA/ HERO

FHA-HERO has been a very busy club this year. They have been involved in many projects such as balloon lift off, cookbook sales, pizza party, and participating in the Homecoming Parade winning the award for the best use of theme four years in a row. Some of the girls took advantage of the two meetings that were offered through this year, the Regional Meeting in Benton, St. Joseph and at Mid-Buchanan Junior High School.

FHA sold warm fuzzies and Christmas kits through out the holiday season. The after school group went to the Light-house, home for unwedded mothers. They are planning their annual Appreciation Banquet this spring to thank all the people involved-students, parents, and advisors.

The FHA morning group (top picture) are; (kneeling) Tina Tritico, Jamie Tracy, Mindy Rader, Charlotte Taylor, Alyssa Francis, Lisa Castell, Michelle Carey, Kim Simpson. # FBLA

FBLA (Future Business Leaders of America) is set up to familiarize its members with the business world through guest speakers, club projects, and field trips. The club is open to any high school student who is or has been enrolled in a business course.

This year's sponsor, Mrs. Maddick, has planned special functions including a banquet at Cascone's to celebrate the students' achievements during the year. To raise money for club fees and other expenses, the club has worked at selling Jolly Ranchers candies.

# Writers Club

In Writers Club, the members get together and write stories, poems and plays. Or sometimes they just sit and read some of what they had previously written. The purpose of this club is to encourage people to continue writing.

The members of this group criticize in a positive way what each other writes.

# Tonka Student To Experience

For the first time in Winnetonka's history, an organized group of German students and their teacher participated in an ISE (Intercultural Student Experience) trip to Germany. We, the German Pioneers, Valerie Boehm, Shaunna Brown, Erika Carter, Becky Hueser, Lisa Huff, Karla Kelso, Danna Parrish, Melinda Roblee, Katherine Stidham, and Frau Endres prepared for the trip by earning money, obtaining passports, studying language handouts, buying presents for the families with whom we would be staying, packing, and of course completing assignments and lesson plans for the eight days of school we would miss.

When we departed on a sunny Sunday afternoon, March 22, from KCI airport, some of us were flying for the first time, and others were already veterans. In Chicago, we met with the other ISE participants and boarded a Lufthansa 747 for the flight to Frankfurt, Germany. In Frankfurt we made the change to an airbus and arrived in Munich with the morning businessmen. We were all thoroughly exhausted after having been on the go for fifteen hours. Our bus driver gave us a short city tour before taking us to the hotel on this dreary morning. Many of us missed the sites — soft snoring sounds came from all over the bus. But we would have time to see the sites later as we would be spending two days in Munich.

Each one of us has special memories about a favorite place or experience in Germany. In Munich we saw the Glockenspiel, a huge clock with lifesize figurines that depict two different scenes while bells ring. We also explored the Marienplatz, the historic and geographic center of the city with its Fussganger zone (pedestrian area). Some of us found the famous Hofbrauhaus and ate area specialties. Others discovered interesting shops, toured churches, or just plain got lost. We met back at our hotel in the evening and at

together at the Hackerkeller where we heard an um-pa-pa band.

While in the Munich area, we traveled to Dachau, a former Nazi concentration camp which has been set up as a memorial and reminder of the suffering of the Jews and of other groups of people during WWII. In Salzburg, Austria, we saw the Sound of Music Von Trapp estate, a fortress which overlooks the city and surrounding area, and Mozart's birthplace. Ludwig II's Linderhof and Neuschwanstein castles shouldn't be missed by any tourist --- we saw both. Our stay in Mainz was short, but we did have a chance to visit the Gutenberg Museum. Gutenberg invented the first movable printing press. The last city we visited was Rothenburg ob der Tauber. In this medieval city surrounded by a wall, the inhabitants are not allowed to change the exterior of the buildings.

A special time for us was in Unna where we spent our family stay. Each of us became a family member in a German family for six days. This gave us a chance to get to know people in a foreign country in a way different from most tourists. We were able to put our German skills to the test as we had all made a commitment to speak as much German as we could. When we boarded the bus at 7:00 a.m. on Friday, April 3, many of us had mixed emotions as we parted from our German families. Some of us are looking forward to seeing our families when they visit us in the United States next summer.

Were we glad to get back home after our fifteen-day trip? Yes! However, each one of us feels this experience has broadened our perspective and understanding of another culture. Our diaries contain much more information than we can include here. Ask us about our trip. We still have many memories to share. We wish to thank everyone who was directly or indirectly involved in making this SE trip possible for us.

# German Club

If you looked at the previous page, you already know what the German club did this year. Most of the year was spent in preparation for their trip to Germany. They sold candy all of last year and again this year to earn money for their trip.

The German club members included: (front row) Melissa Roblee, Becky Hueser, (second row) Danna Parrish, Katherine Stidham, (third row) Shaunna Brown, Valerie Boehm, Erika Carter, (back row) Lisa Huff, Karla JKelso, and Mrs. Enos.

The French club may not have gone to France this year as they did last year, but the group stayed active with many "stateside" excursions. Two of them included field trips to the Nelson Art Gallery and to the Kansas City Zoo. At the art gallery, they visited the Impressionist collection including works by artists they had studied in class. At the zoo, the club exercised their memories by trying to come up with the French name for all the animals they saw.

This year's French club members were: (front row) Stefanie Matthys, Michelle Lerdall, Julie Hennessy, Ryan Felty, Kelly Strehl, Coleen McMahon, (second row) Cathrein Schuetz, Brian Tipton, Holly Elwell, Jennifer Deis, Angie Watson, Mary McClure, Whendi Pierce, David Stockman, (back row) Matt Long, Colette Peterson, Glenda Lee, Annie Moreno, Jeff Tipton, Rita Sexton, Jeannie Spraggs.

The Spanish club had a new sponsor this year in Mrs. Maria Sisk. In their Spanish classes this year, the students enjoyed preparing and eating authentic Spanish dishes. Members this year included: (front row) Toni Ellenbarger, Melanie Majers, Angie Tune, Tricia O'Dell, Rick Schell, Angelica Higareda, (back row) Mrs. Sisk, Charlie Schell, Colleen Newman, Mark Hickernell, David Meyers, Jenny Bovard, Sally Barbosa, Elizabeth Higareda, Chari Fields.

# Theme Schools

Automotive theme school is designed for students desiring to further their education in the automotive field. The students receive hands-on training while working on cars for school employees and supervisors. The fee of \$5 goes to pay for books, tools, and other expenses.

Building and Trades theme school is designed for students planning an occupation in construction. These students build a house during the year which is sold later in an open bid. The house built this year was appraised at approximately \$70,000.

Child Development theme school is set up for students desiring experience in child care, elementary education, and future family planning. The students enrolled this year worked at several elementary schools and day care centers.

Computer theme school is designed to further the computer languages learned in previous classes. The languages taught include COBOL (a business oriented language) and FORTRAN (a scientific and formula oriented language). This year's theme school was held at Oak Park High School.

# Youth In Government, Scholar Bowl

The Political Science/Youth in Government Club traveled to Jefferson City again this year to take part in the Youth in Government Model Legislature. Russell James was a senator, Mike Grant, James McMillan, Ed Rogers and Marty Myers were Representatives, and Julie Kelso was awarded the Outstanding Page award for the entire model legislature. Pictured are: (front row) Jeannie Spraggs, Russell James, Julie Kelso, Mr. Ed Pfitzner (sponsor), (back row) Mike Grant, Ed Rogers, James McMillan and Marty Myers.

Five Winnetonka students went to the Maple Woods Scholar Bowl competition March 30 to try to win back the title lost last year. The team lost to Richmond, 49-26, after losing a close first round to Oak Park, 40-38. The overall winner was Platte City, the defending champions.

Pictured are: Pam Newton, David Gumminger, Jake Winship, Charles Schell and Elizabeth Giovagnoli. The team's sponsor was Mrs. Georgia Winship.

# Fellowship Of Christian Athletes

The highlight of the busy year for the Fellowship of Christian Athletes had to be the Arbor Day observance when members did not attend classes, but remained on the grounds sweeping, raking and planting flowers and shrubery. Were it not for this yearly occurrence, spring might be a pretty drab time.

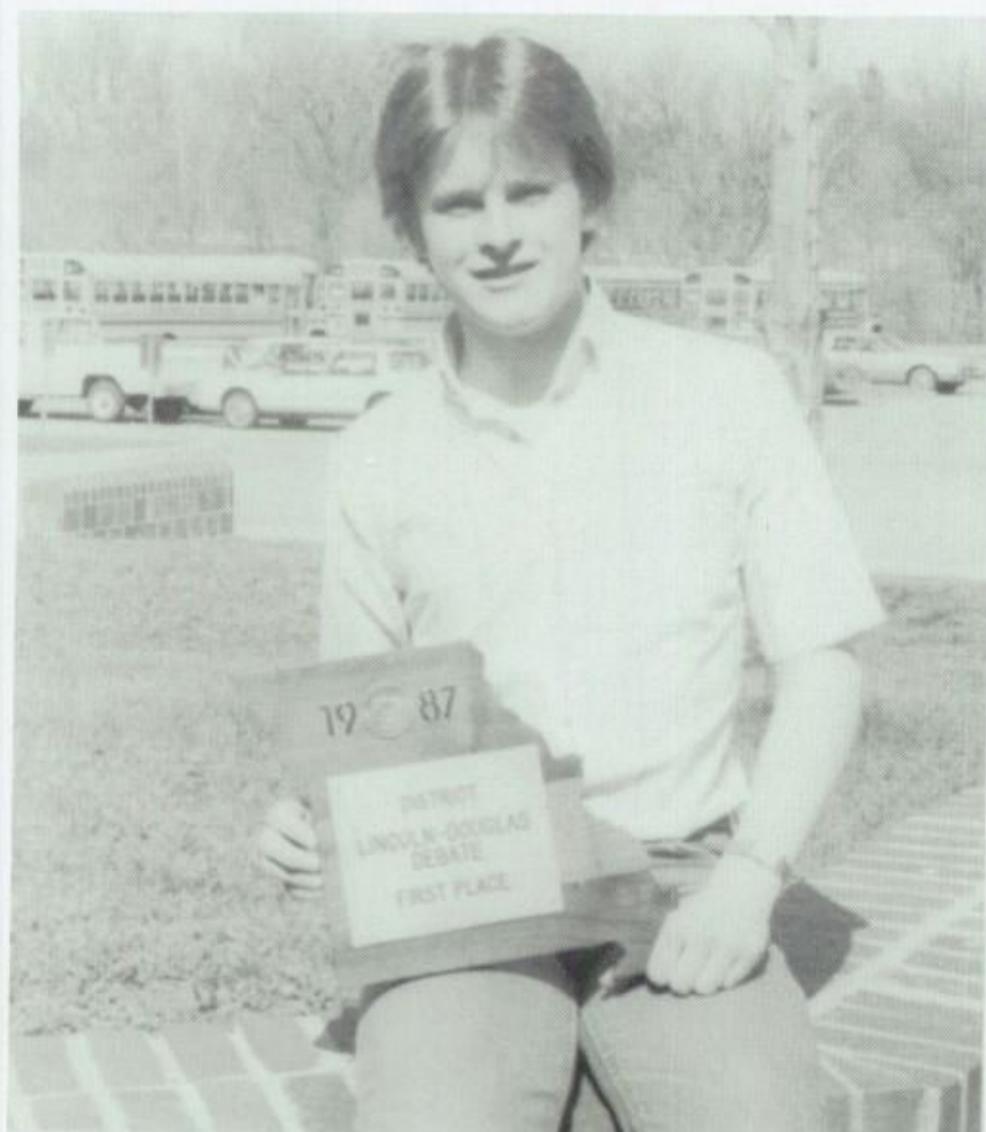

Another special moment for the FCA was the volleyball match against Oak Park's chapter. This game marks the beginning of a new tradition. A special volleyball will travel between the schools based on which school wins that year. Oak Park won this year. Just wait 'til next year.

Cheering the FCA volleyball team on were their own cheerleaders: (front) Brett Doleshal, Steve Kidwell, Brian Henry, (back) Michael Newton, John Ross and Carey Hiatt.

# Debate Team

Nearly all the marbles for the Winnetonka Debate Team should go to Russell James this year for being the first Griffin to qualify for the National Forensic League's national tournament in over eight years.

Russell was to be in Cincinnati this summer for the national tournament because he took first place honors in Lincoln/Douglas debate at the district speech tournament in St. Joseph. He definitely left his mark at districts by also placing second in the extemporaneous speaking category.

The debate squad consisted of (front row) Mike Grant, Chris Milner, Elaine Curtis, Jennifer McIntire, Tanya Benton, (second row) Mr. John Ham, John Roush, David Nielsen, Kevin Elmore, Jackie Coons, Jennifer Smith, Russell James, (back row) Ed Rogers, Jenny Spicer, Alan Nelis.

# Survivors Groups

Survivors is a group of students suffering the loss of someone close to them. The group meets to talk with each other and lend support. Since each of them has experienced similar feelings, they all make good listeners and offer the care members need. Although each person reacts to the club differently, each one benefits from the group's support.

One group of Survivors included: (front row) Mary Hurd, Craig Barulich, Brenda Taylor, Ruth Gilpin, (back row) Mike Crooks, Michele Allfree, Robbie DeTray, Jerry Wells.

Another group of Survivors included: Rachel Shepard, Cindy Gibbs, Todd Baxter, Katie Palmisano, Ms. Vicky Snell, Lisa Larison, and Steve Painter.

# Northland Tech Institute

This year's N.T.I. group were: (kneeling) Kathy Dunlap, Toby Troutner, Kim Pickett, (back row) Robbie Vogelbaugh, David Sullivan, Laura Young, Ms. Vicki Snell, Carrie Chadday, Mrs. Peggy Mosbacher.

N.T.I., Northland Teen Institute, is a program on substance abuse. It is a weekend retreat filled with magic! During the time, the students attend workshops in order to get together with others and communicate.

In the workshops, topics include communication skills, building positive self-esteem, and reducing chances of drug/alcohol abuse. Other activities are coping with personal grief and learning how to counsel correctly people with drug/alcohol problems.

N.T.I. institutes are very special to those who attend. Anyone can learn so much about himself and others around him. The feelings of everyone at the end of the weekend are incredible! There is a natural high in everyone for weeks after being in the program.

The students take training from leaders at the institute and apply it to programs presented in local grade schools and for the peers around them.

## Darwinism On Trial In "Inherit The Wind"

The fictionalized account of the Scopes Monkey Trial came alive on the Winnetonka stage in the fall of 1986.

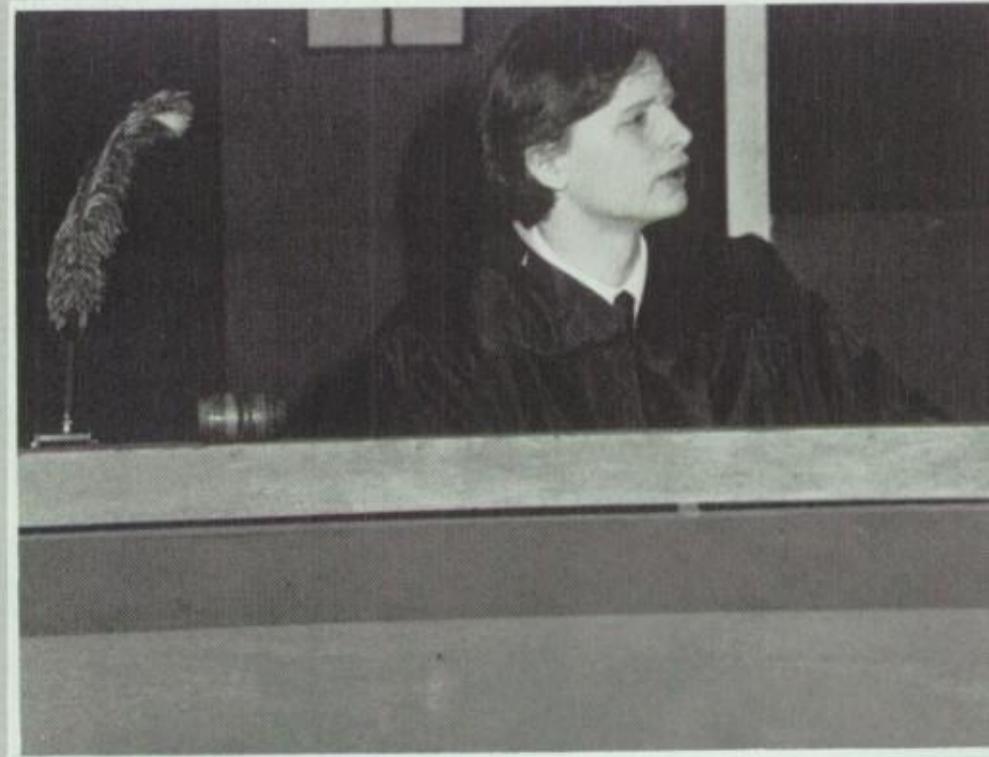

In Jerome Lawrence and Robert E. Lee's "Inherit the Wind," Bertram Cates (Greg Patterson) plays the school teacher turned defendant who is accused of teaching Darwin's theory of evolution in his classroom. Cates thought the theory should be taught to his students in order that they would know both sides of the story and be able to think for themselves.

Rachel Brown (Lara Dowell), a friend and fellow teacher, tries to persuade Bert to go before the people of Hillsboro and apologize to them for doing this horrible deed. Rachel's father, Reverend Brown (Tim Dennis), provides added pressure by forbidding his daughter to see the "evil sinner" who went against the *Bible*'s teachings. He even leads the town in a prayer meeting against the accused teacher.

Matthew Harrison Brady (Marc Snow), a Christian leader and unsuccessful presidential candidate, comes to town to prosecute Cates with the help of a local attorney (David Coonce). He makes it tough for Henry Drummond (David Gumminger), an agnostic, urban attorney, to successfully defend his client. The result is a series of stormy trial scenes, ending with the collapse of an exhausted Brady.

Through it all, Brady's wife (Pam Newton) is a faithful but concerned companion. E.K. Hornbeck (Shann Beeman), a cynical newspaper columnist, is not so concerned, and makes fun of the out-dated ideas of Brady at every opportunity.

The verdict? Well, you should have seen the play ....

# Tradition Heralded In "The

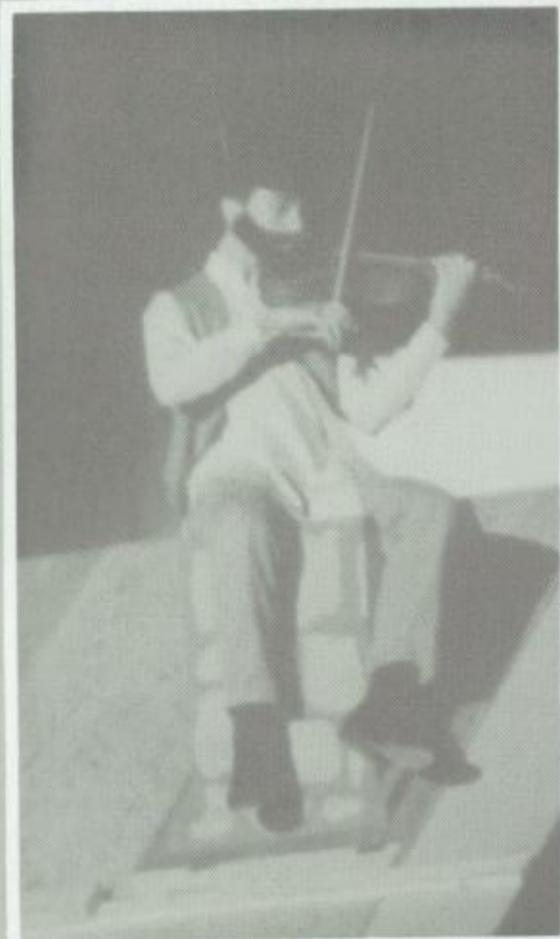

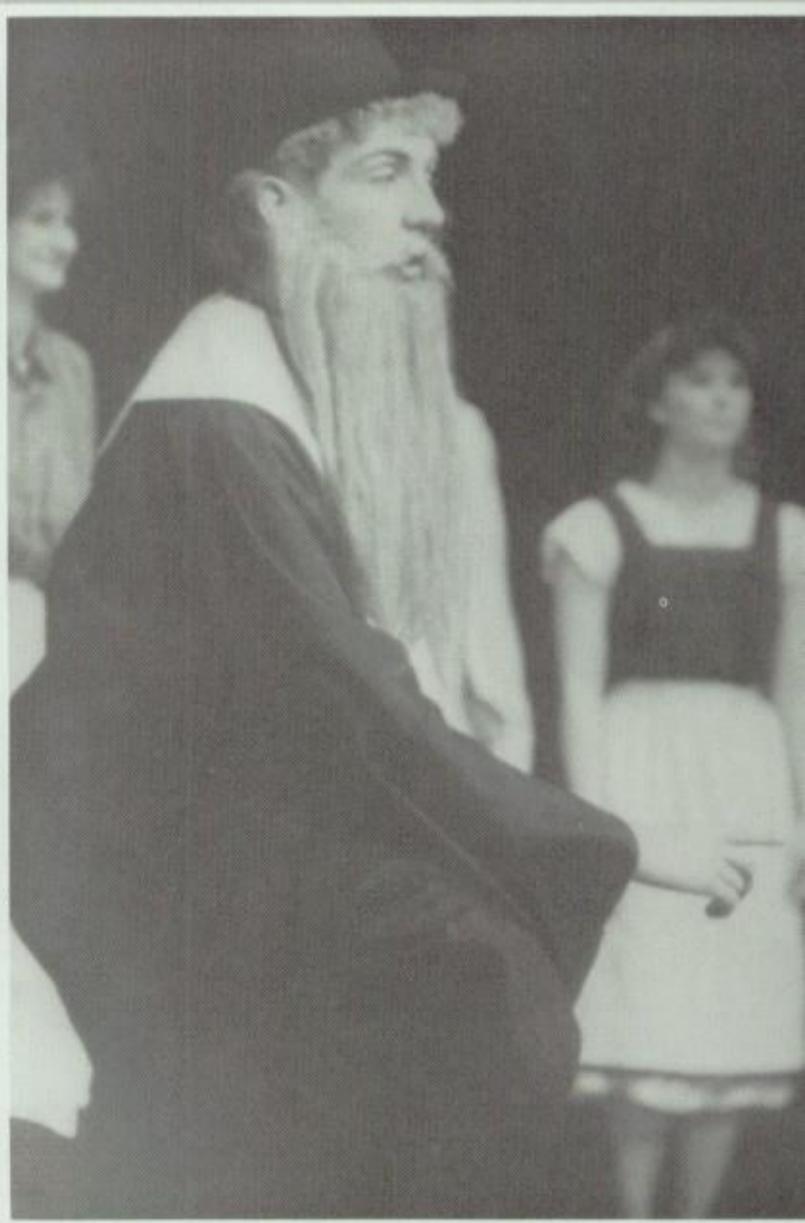

With a cast of 47, a pit orchestra of 32, and over 50 crew members, the musical "Fiddler on the Roof" was one of the biggest productions ever put on by the Winnetonka Drama Department. It was also a great success.

Todd Baxter sang the part of Tevye with style, while David Stockman impressed the audience by playing the "Fiddler on the Roof" from the roof.

In "Fiddler," Tevye is a poor Jewish man who lives in Anatevka, Russia during the early part of the twentieth century. He is a man who lives by tradi-

tion, but when his two eldest daughters go against tradition to marry their loves, he allows it, wanting them to be happy. Tevye will only go so far, though, and when his third daughter marries outside the Jewish faith, he disowns her.

While Tevye's family fights tradition, the Jewish people of Russia grow more and more afraid of being driven out of the country by the government. They see their position in Russia as unstable and just as precarious as the position of a "Fiddler on the Roof."

# Fiddler On The Roof'

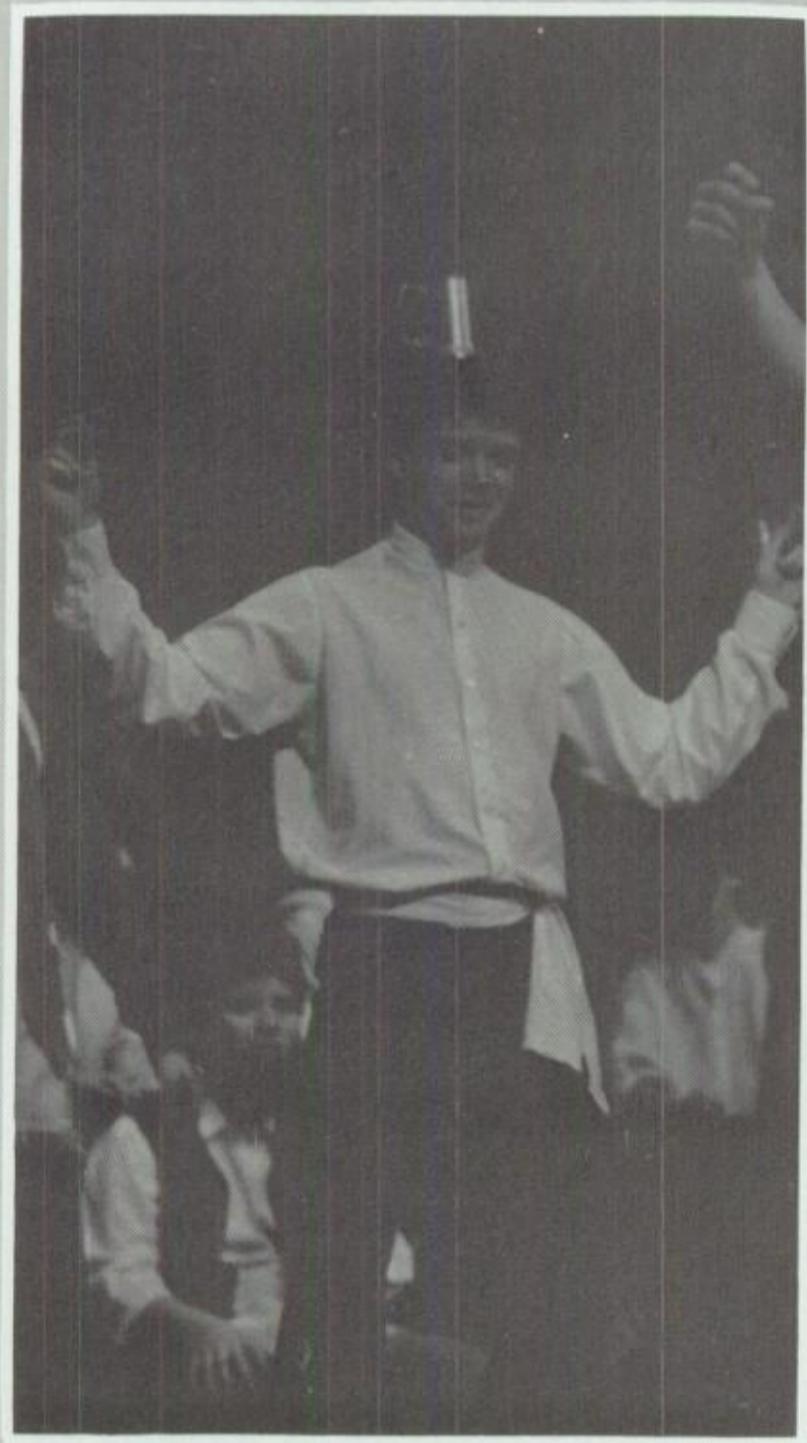

(CLOCKWISE FROM TOP) Tevye (Todd Baxter) and the Rabbi (Donnie Vestal) strut the true stuff of papas. Lazar Wolfe (David Gumminger) and Tevye (Todd Baxter) share one last drink "To Life." Chava (Shannon Hensel), Tzeitel (Holly Weyand), and Hodel (Arlene Herrera) worry about the future in the song "Matchmaker." The Matchmaker (Mindy Shultz) tells of her "perfect matches" in "Tradition." David Stockman portrays the Fiddler in "Fiddler on the Roof."

(CLOCKWISE FROM LEFT) Hodel (Arlene Herrera) and Perchik (Marc Snow) argue, as usual. Sasha (Mr. Perry White) dances with his Russian friends. Tevye (Todd Baxter) rests after a hard day's work. Tzeitel (Holly Weyand) and Motel (Chuck Davis) are finally married. Grandmother Tzeitel (Kelly Neros) appears in Tevye's "dream." Golde (Pam Newton) says the Sabbath prayer.

# Shorts III Follows Entertaining

IN THE PICTURES (clockwise from top left): Jen (Margaret Handy) sells Kanbo (Brandon Trickey) a route of escape in case their boarding house falls under a nuclear attack in "Roomers." Jen forms a plan with her fellow boarders to make her sister have a miserable visit. James Dyke (Joe Vivona) tells Josephine Paris (Melinda Roblee) of her brother's heroic death in "The Valiant." Sheila (Lynn Shea) tells Holly (Lisa Barton) of her acting plans in a one-woman show in "Roomers." Garney (Donna White) tries to sell Manrashi (Mike Phillips) a room with a leaning bed in "Roomers."

# Tradition

Shorts III in 3-D, *The Final Chapter*, was the last production of the year for the drama department. The four one-acts are a continuation of the format used in Shorts I & II the last two years.

"The Valiant" was the first one-act that told the story of a man about to be put to death and the girl who wants to see if he's her long-lost brother.

"Roomers," the second one-act, was a zany comedy about a bunch of misfits residing in a boarding house.

"Sorry, Wrong Number" was a chiller about an invalid lady who overhears a phone conversation about a planned murder, not realizing it is hers.

"FAUGH," the last one-act was used in district one-act competition. This hilarious play centered on a group of fine arts students trying to save their college dorm from being torn down.

Above: Ev (Karen DeLay) and Herbert (Brad Jaeger) find love through a computer in "FAUGH." Right: Nikky's (Pam Newton) power of suggestion turns Minsey (Holly Weyand) into a dog in "FAUGH."

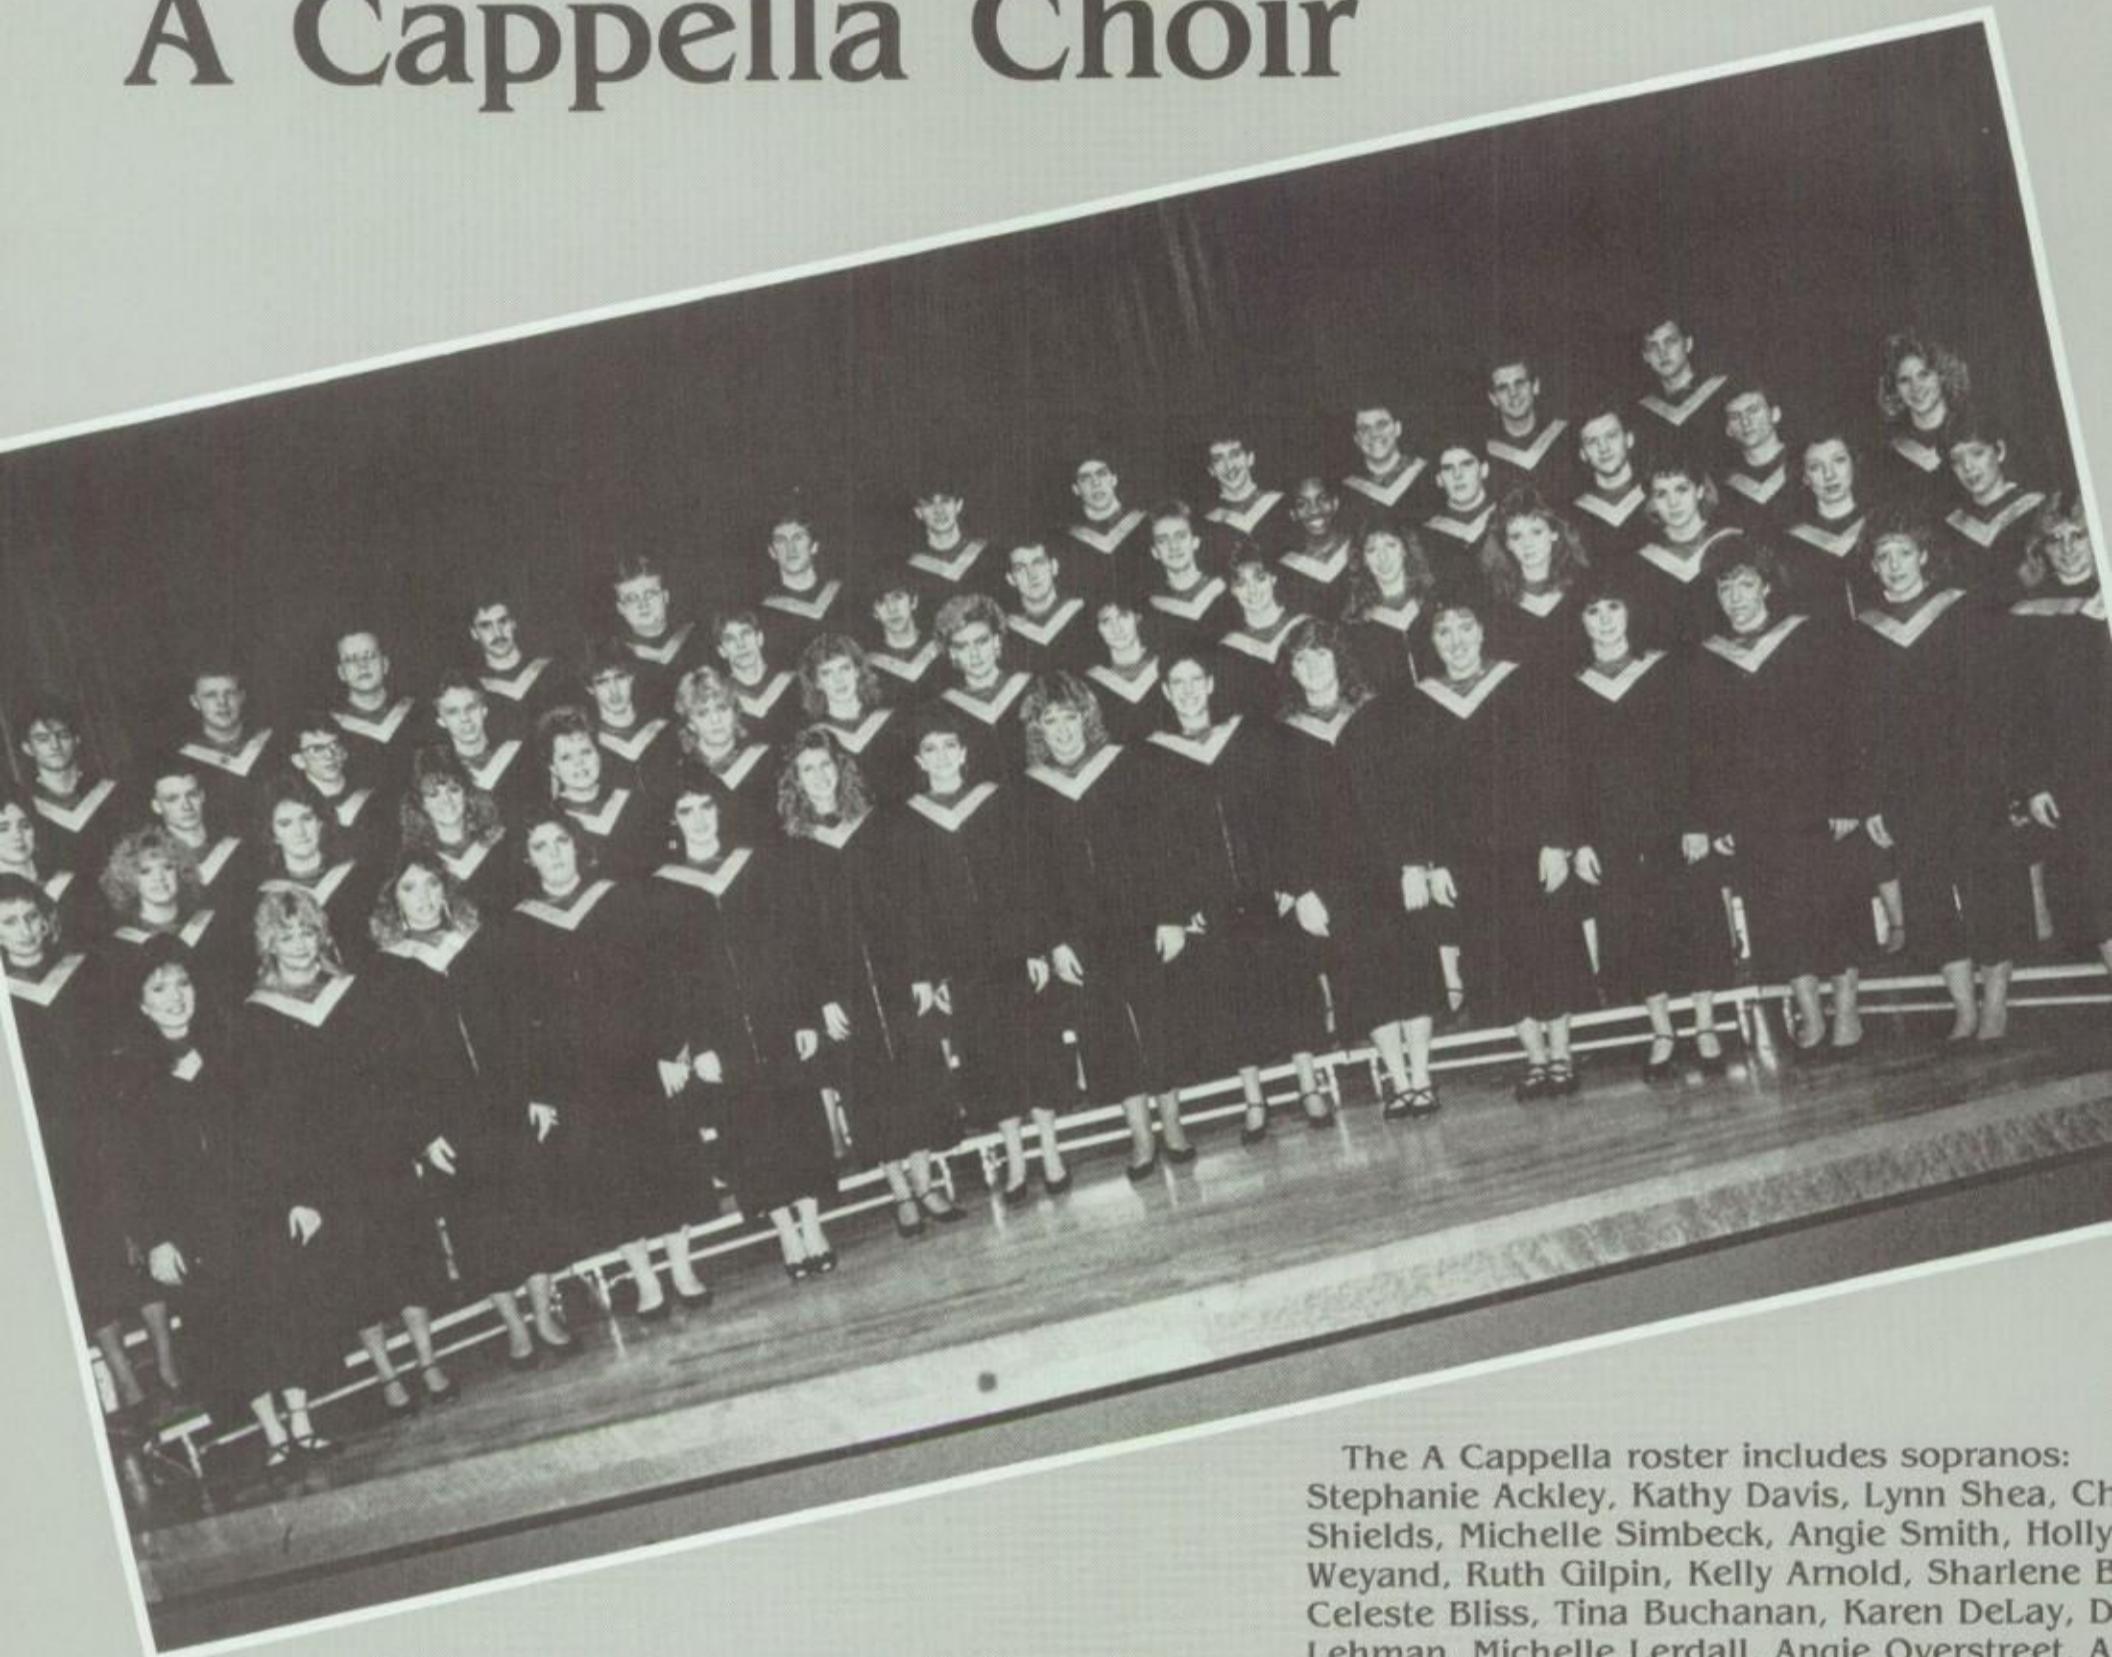

## Shorts III

Top left: Janelle (Amy Overstreet) and Dr. Bonham (David Gumminger) discuss how to save the Fine Arts Undergraduate Housing (FAUGH) from being torn down. Left: Miss Charlotte (Juliet Harland) tries to convince George Watkins (Marty Caldwell), the FAUGH's new owner, to let the building stand. Above: Mrs. Stevenson (Mary Hardin) frantically calls for help while a killer runs loose in her house in "Sorry, Wrong Number."

# A Cappella Choir

The 1986-87 A Cappella Choir has a "new beginning" this year under the direction of Mr. Perry White. With the help of President Marc Snow, Vice-President Arlene Herrera, secretary/treasurer Chuck Davis, and mascot Lisa Byars, the choir had an active year. A Cappella performed at the Choral Arts Festival held at the University of Missouri at Kansas City and was the featured group of the day. After performing at District Music Contest, the choir received four ones, the highest possible rating. The group ended the year by performing at the Commencement exercises.

The A Cappella roster includes sopranos: Stephanie Ackley, Kathy Davis, Lynn Shea, Ch Shields, Michelle Simbeck, Angie Smith, Holly Weyand, Ruth Gilpin, Kelly Arnold, Sharlene E Celeste Bliss, Tina Buchanan, Karen DeLay, D Lehman, Michelle Lerdall, Angie Overstreet, A Tune; altos: Angel Atkins, Paula Bailey, Lisa B Gretchen Hall, Mary Hardin, Shannon Hensel, Arlene Herrera, Vicki Livengood, Melanie Maj Kelly Neros, Pam Newton, Amy Overstreet, De Phillips, Christy Roberts, Sandy Scanlon, and Mindy Shultz; tenors: Todd Baxter, David Cal Joe Catalono, Chuck Davis, Mark Hidy, Jim G Steve New, James Shields, and Brian Taylor; Basses: Shann Beeman, Mike Berry, Ron Cook, Mark Duncan, Ryan Felty, Issac Fields, Jeff Gr Greg Olinger, Jum Plack, Bobby Reeves, Phil Rogers, Brad Snow, Marc Snow, Donnie Vesta Troy Milhalko.

# Spectrum Of Sound

Spectrum of Sound consists of sopranos: Lisa Byars, Diana Lehman, Chris Shields, Michelle Simbeck, and Holly Weyand; Altos: Shannon Hensel, Arlene Herrera, Pam Newton, and Cristy Roberts; Tenors: Todd Baxter, Chuck Davis, Greg Lauer, and Brian Taylor; and Basses: Shann Beeman, Mark Duncan, Issac Fields, and Marc Snow.

Spectrum of Sound demonstrated a wide variety of music during the 1986-87 school year. Their fall show consisted of singing and dancing to pop and jazz style music, while their spring program costumed and staged a small operetta. The group gave a great number of performances ranging from various senior citizens clubs to the Federal Reserve Bank of Kansas City to grade schools and middle schools. This years officers were Pam Newton, President; and Secretary/Treasurer Diana Lehman.

Mr. White

## Marching Pride's Work Pays Off

The Winnetonka Marching Pride shined greatly this year. They practiced many long days, nights, and yes ... early mornings, but if you saw one of their shows you could see their work paid off. Experimenting with many new maneuvers including "the domino" their show was very entertaining. Drum majors, Mindy Shultz (senior) and Gary Bryant (junior), led the band through their variety of popular tunes. The band presented wonderful entertainment wherever they went.

Mindy Shultz leads the "Pride" through another song.

The percussion section was always on their toes keeping the beat.

# Marching Band Entertains After Games

No, the trumpet section didn't faint. This is the famous domino maneuver.

Mike Phipps, Jason Swan, and John Arnold don't let the windy night break their concentration.

Donna Witte, Annie Moreno, and Teresa Hebler proudly leave the field.

## GVB Adds Spice To Basketball Games

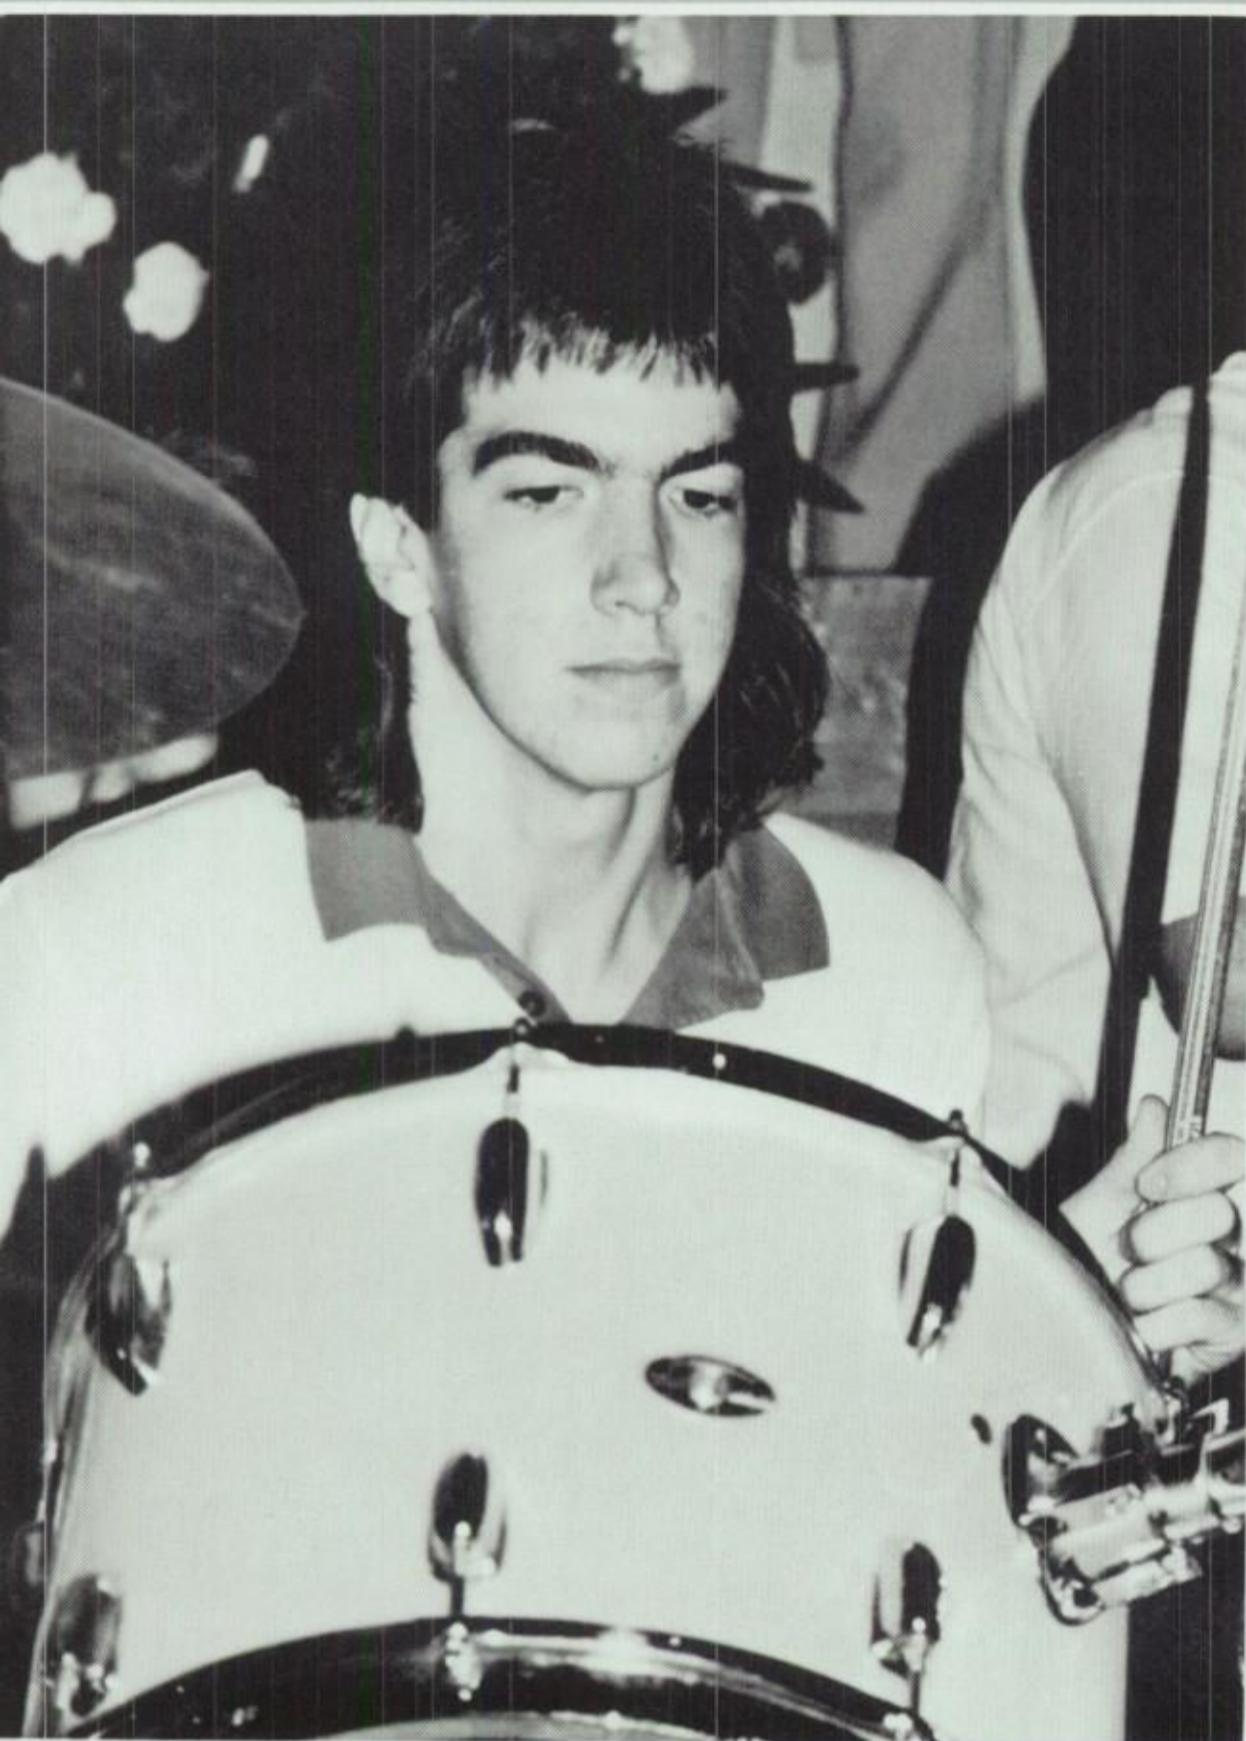

Golden Variety Band spent many hours performing at various conventions, and openings this year, always revealing the Winnetonka "pride."

However, most of their time was spent adding some spice to halftime during the basketball season. The Pom-Poms and Winterguard kicked up their heels, and contributed to the array of shows you saw.

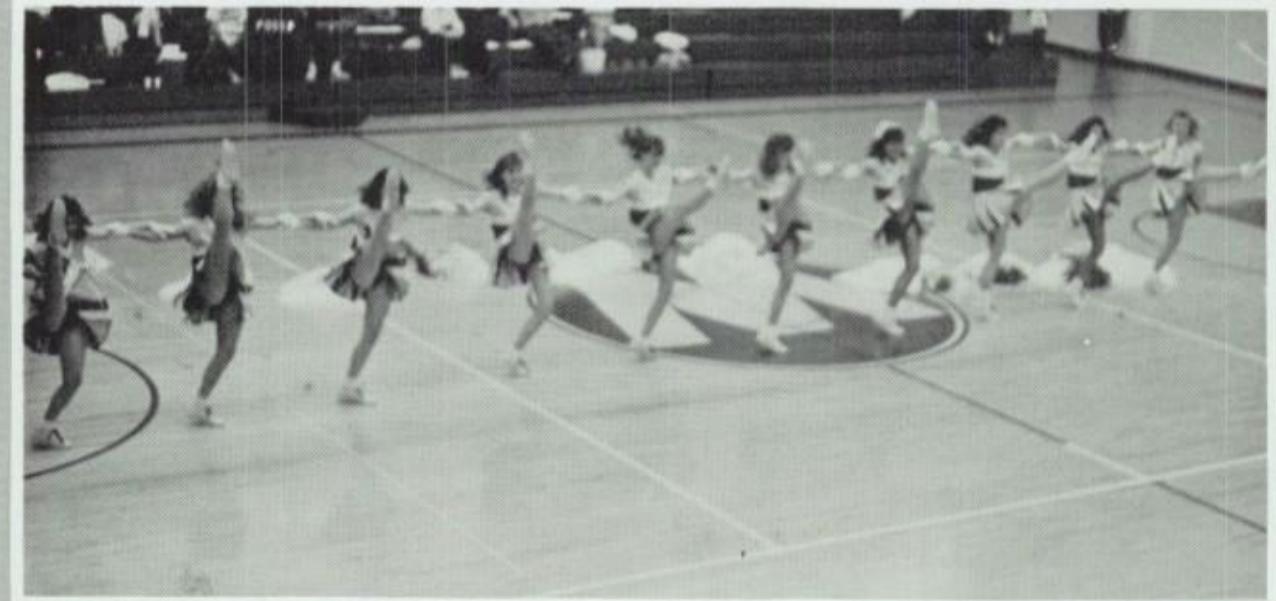

If you ever want to see some really talented people, all putting their best foot forward, catch GVB in action.

Woody Hicks shows real pride in his work.

Corey Huntsucker provided tremendous halftime entertainment with his drum solos. The saxophone section concentrates intently on their music.

The Pom-Pon squad puts all they've got into their routine. James Bevan really knows how to make his horn twinkle.

# Orchestra Continues Winning Ways

The 48th Street Players went to the St. Louis Six Flags Over Mid-America Music Festival this year. Along with the Symphonic Band, they received ones in their division, and a trophy for Best in their class. At State Contest, David Stockman received two one ratings for a violin solo and for a viola solo. Gretchen Foxe, Sam Hughes, and Drew Cohalla also received one ratings. Receiving two ratings were Henry Bullock, Amy Bonner, and David Maschler. As you can see from their accomplishments this group works hard to achieve all they can.

## Tim Painter 1969-1987

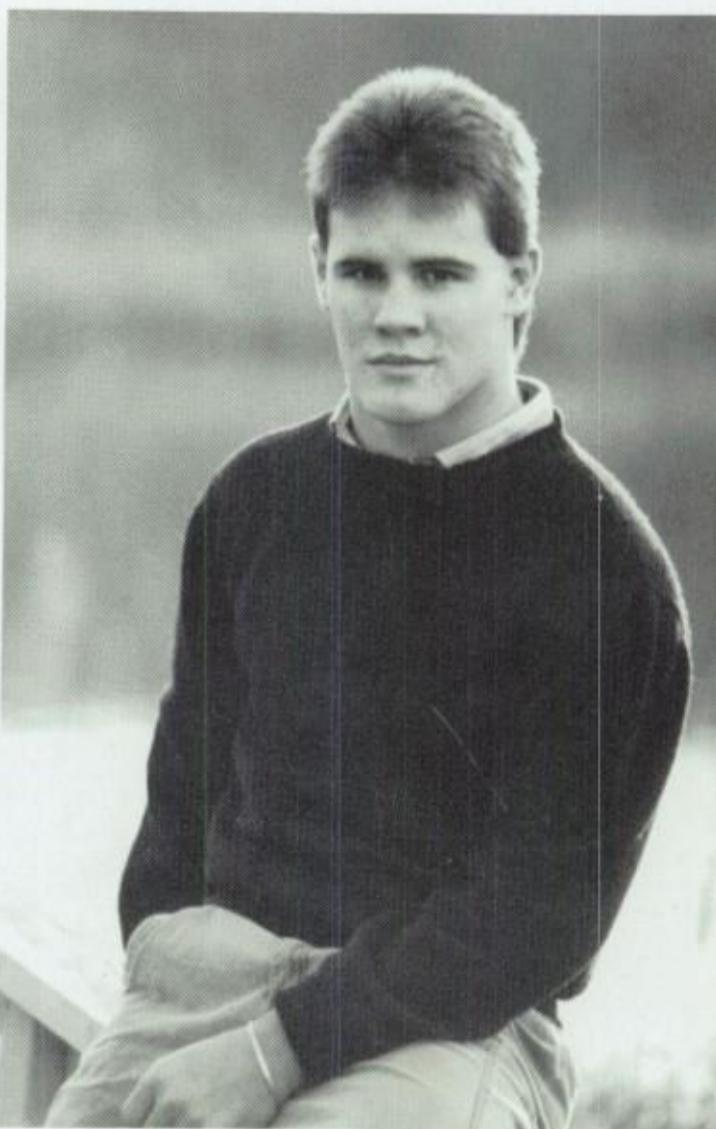

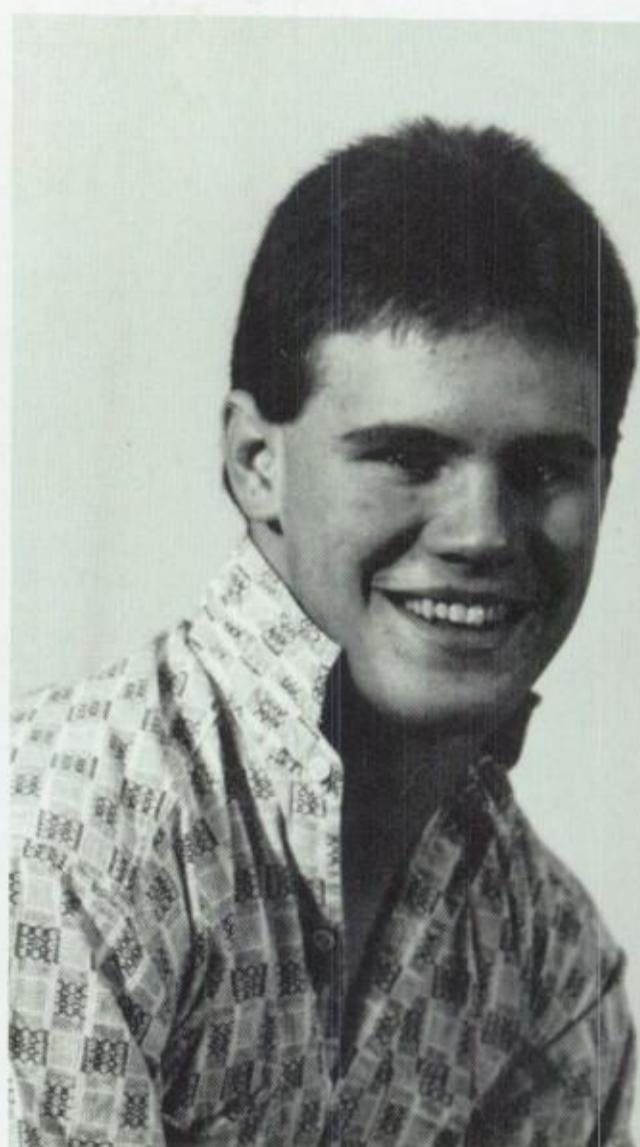

Tim will always be remembered as one of the finest athletes ever at Winnetonka. He was an achiever in every sport he participated in and served as a team leader and role model for the younger players.

In football, Tim played cornerback and running back and gained all-conference, all-district, and all-metro honors. He wrestled varsity for three years, but couldn't compete this year due to a shoulder injury. He was also a three-year letterman in track in which he ran sprints and competed in the long jump.

Tim was one of the best known people at Winnetonka. Incoming freshman classes quickly discovered who Tim was, and he was always willing to befriend anyone if they wanted him to.

Although Tim was dominant in certain aspects of his life, he never flaunted it to others, and he always believed there was room for improvement. I don't believe any improvement was needed in Tim's life when he left.

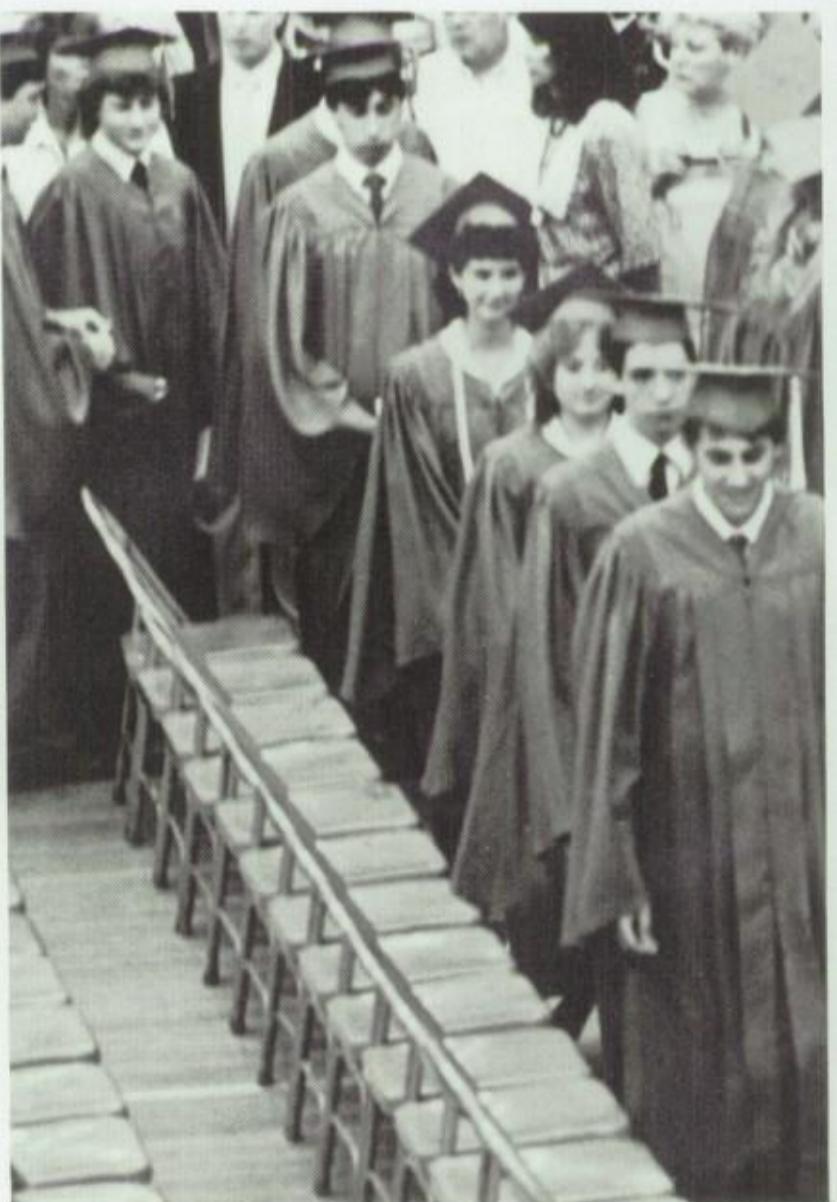

— Mike Kirkham

"... any man's death diminishes me, because I am involved in mankind, and therefore never send to know for whom the bell tolls; it tolls for thee."
